*I am very grateful to the God Almighty for his sustaining grace, wisdom, opportunity and ability to continuously blessing me during this research work.*

*I wish to express my sincere gratitude towards my guide Dr. Anjali Jivani for her continuous support, cooperation, guidance, and encouragement. Her mission for providing high-quality work has made a deep impression on me. She has taught me another aspect of life, “goodness can never be defied and good human beings can never be denied”. I feel privileged to be associated with a person like her during my life. Without her persistent help, the goal of this research work would not have been realized.*

*I am sincerely thankful to Mr. Bhuvan Parekh Sir for giving me an opportunity of a lifetime to pursue my doctorate of philosophy in this esteemed institution.*

*I am grateful to Dr. Apurva Shah, Head of the Computer Science and Engineering Department for his support and co-operation. The judicious ideas of the Departmental Research Committee drove me on the right path towards the completion of this work.*

*I owe my deepest gratitude towards my husband Ashish for his eternal support and understanding of my goals and aspirations. His infallible love and support have always been my strength. His patience and sacrifice will remain my inspiration throughout my life. Without his help, I would not have been able to complete much of what I have done and become who I am. I extend my heartfelt thanks to my son Amrutansh for bearing with me for the inconvenience during this period of my research work.*

*I wish to thank all the people whose assistance was a milestone in the completion of this work especially a big thanks to Dr. Ghanshyam Sing Thakur Assistant. Professor MANIT, Bhopal for his scientific inputs, timely suggestions, and friendly nature. I extend my thanks to Preeti madam for her encouragement and support.*

*In addition, I express my gratitude to my parents, Mother-in-law, and my sisters who have been a constant source of inspiration for me.*
