

# *Acknowledgement*

I express my thanks to Almighty for providing me inspirations, strength, energy and patience to start and accomplish my work with the support of all concerned a few of them I am trying to acknowledge.

I, with great privilege and deep sense of gratitude, heartily thank my research guide, **Prof. S.K.Shah**, who has constantly guided me throughout the tenure of research work. His positive and painstaking efforts, constructive suggestions and his readiness to help at any time even after office hours have resulted in research work. Need has less to say that without his assistance it would never have been possible to carry out this work. I am also thankful to **Dr. S. K. Joshi**, Head of Electrical Engineering Department, Faculty of Technology & Engineering, for his inspiration and support. I am deeply indebted to entire **MGITER family, Chairman, Principal** and all my colleagues who have supported me in research work. I heartily thank to my friend **Prof. Hardik A. Shah** for their moral and technical support.

My sincere thanks to E-corner Consultants Pvt. Ltd, Vadodara for providing laboratory facilities for the research work. My sincere thanks to the entire team of Edutech Systems, Vadodara for providing their effective guidance and assistance during my experimental work I also thank to GIDC, Makarpura for their kind support and technical help.

My deepest gratitude goes to my family for their unflagging love and support throughout my life. This dissertation is simply impossible without them. I express my heartiest gratitude to **my parents, my husband TEJENDRA, my son PREYAS** for their unconditional support in every aspect of my life. Without their patience and inspiration it would have not been possible for me to start and completed this research work. Finally, I thank all those who helped me directly or indirectly and whose names would have been inadvertently missed above.

*AMI D. PATEL*
