

AKNOWLEDGEMENT

I express my thanks to Almighty for providing me inspirations, strength, energy and patience to start and accomplish my work with the support of all concerned a few of them I am trying to acknowledge.

I gratefully express my sincere gratitude to my research guide **Prof. S.K.Shah** for his invaluable guidance, constant inspiration and support throughout the tenure of research work. His valuable suggestions and guidelines kept me focused in my research work. I am also thankful to **Dr. S. K. Joshi**, Head of Electrical Engineering Department, Faculty of Technology & Engineering, for his inspiration and support.

I am also grateful to **ADIT family, Chairman, Principal, Management** and all **my colleagues** who have supported me in research work. I am also thankful to Prof.Ami.D.Patel for her moral & technical support. I am also thankful to Dr.Viranchi C.Pandya & Dr.Rutvij C.Joshi, Prof.Rakesh M.Patel for their support in hardware and software experimental research work.

I am also thankful to E-corner consultants Pvt.Ltd, Vadodara for providing Laboratory facilities for the research work. I am also thankful to Edutech Systems, Vadodara for their guidance and assistance in hardware development for the research work.

My deepest gratitude goes to my parents **Ashokbhai & Nitaben Shah** for their encouragement and blessings. This dissertation is simply impossible without them. I am greatly thankful to **my wife, Krupali and my daughters Riya & Meshwa** and **my brother Sunay** for their unconditional support in every aspect of my life. Without their patience and inspiration it would have not been possible for me to start and completed this research work.

I would finally like to thank all those who helped me directly or indirectly involved in making of this thesis and research work a success.

Hardik A. Shah
