

## ACKNOWLEDGMENT

First of all I would like to thank almighty Shree Ganesha who has given me mental strength and blessings during my research work. My Guru has taken equal role as god. I would like to express my sincere thanks and deep gratitude to my honourable guide Lt. (Dr.) Piyush P.Gohil for his valuable guidance and continuous encouragement. His cooperative nature and expertise in the research topic helped me to a great extent in preparing every minute details of research work.

I would like to thank Late Prof. (Dr.) P. Prabhakaran whose blessing and guidance was always with me. I would like to thank the Prof. (Dr.) D.S.Sharma for providing continuous guidance and encouragement during execution of my work. I would like to thank H.O.D. Dr J.M.Prajapati and Dean Prof (Dr.) C. N. Murthy for their co-operation and support. I would like to thank my colleague, staff and students of MSU for helping me during conducting experiments.

I would like to thank Kanukaka and Mr. Arekar and physics department of NUV for their help during execution of my experiments. I would like to thank Dr. Vijay Chaudhary and Dr Sagar Choksi from CHANGA university for helping me to perform mechanical characterization at their premises.

I would like to thank my in-laws Mr Jatin Bhatt and Mrs. Meena Bhatt for their unconditional care, support and guidance during my PhD course work. I thank my husband Mr Tapan Bhatt for encouraging and solving even my minor issues. I am lucky to have Dhvani, Niyati and Mahir my supportive kids whose unconditional love made me to finish my PhD course journey. I thank my sister Mrs. Ratna Bhatt and brother in law Mr. Vinay Bhatt for their support and love. I thank my mother Mrs. Sharmistha G Metha , brother Mr Hirak Mehta and Mrs Vandana Mehta for their support during my entire endeavour. I would like to thank all my friends whose continuous encouragement was very much needed during pursuit of my PhD.

I dedicate this thesis to my Late father Mr Gautam P Mehta, my real hero and mentor, whose vision to see their children highly educated inspired me to take up this endeavour.
