

List of Tables

Sr.No.	Content	Page No.
3.1	Name Of The Chapters, Subtopics And Values Identified	68
3.2	A Synoptic View Of Stories And Activities Selected For Value Inculcation	78
3.3	Correlations (Test-Re-Test)	85
3.4	Reliability Statistics (Cronbach Alpha)	85
3.5	Correlations (Test Re-Test)	86
3.6	Reliability Statistics (Cronbach Alpha)	86
4.1	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For The Conceptual Knowledge Of Equality.	94
4.2	Summary Of Mann-Whitney U-Test For The Conceptual Knowledge Of Equality For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, Z-Value And Probability.	95
4.3	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For The Conceptual Knowledge Of Peace.	96
4.4	Summary Of Mann-Whitney U-Test For The Conceptual Knowledge Of Peace For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	97
4.5	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For The Conceptual Knowledge Of Freedom.	98
4.6	Summary Of Mann-Whitney U-Test For The Conceptual Knowledge Of Freedom For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	99
4.7	Mean, Standard Deviation, Standard Error Of Mean Of Control	100

	Group And Experimental Group For The Conceptual Knowledge Of Patriotism.	
4. 8	Summary Of Mann-Whitney U-Test For Value Knowledge Of Patriotism For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	101
4.9	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For The Conceptual Knowledge Of Unity.	102
4.10	Summary Of Mann-Whitney U-Test For The Conceptual Knowledge Of Unity For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	103
4.11	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For The Conceptual Knowledge Of All Five Values As Whole.	104
4.12	Summary Of Mann-Whitney U-Test For The Conceptual Knowledge Of All Five Values As Whole For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	105
4.13	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For Perception Of The Value Equality.	106
4.14	Summary Of Mann-Whitney U-Test For The Perception Of The Value Equality For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	107
4.15	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For The Perception Of The Value Peace.	108
4.16	Summary Of Mann-Whitney U-Test For The Perception Of The Value Peace For Control Group And Experimental Group	109

	Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	
4.17	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For The Perception Of The Value Freedom.	110
4.18	Summary Of Mann-Whitney U-Test For The Perception Of The Value Freedom For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	111
4.19	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For The Perception Of The Value Patriotism.	112
4.20	Summary Of Mann-Whitney U-Test For The Perception Of The Value Patriotism For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	113
4.21	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For Value Perception Of Unity.	114
4.22	Summary Of Mann-Whitney U-Test For The Perception Of The Value Unity For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	115
4.23	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For The Perception Of All Five Values As Whole.	116
4.24	Summary Of Mann-Whitney U-Test For The Perception Of All Five Values As Whole For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	117
4.25	Mean, Standard Deviation, Standard Error Of Mean Of Control Group And Experimental Group For Achievement In Social Science	119

4.26	Summary Of Mann-Whitney U-Test For Achievement In Social Science For Control Group And Experimental Group Students With The Number Of Sample, Sum Of Ranks, U-Value, And Z-Value And Probability.	120
4.27	Intensity Index Of Reaction Scale	122
5.1	Name of the Chapters, Subtopic and Values Identified	154
5.2	A Synoptic View of Stories and Activities selected for Value Inculcation	155
