I thank Almighty God who is the constant source of strength and inspiration, I am indebted to the almighty for showering his grace on him and for allowing the completion of this work without hassles.

Indeed the words at my command are not adequate in the form of spirits to convey the depth of my feelings of gratitude to my guide Prof. R. C. Patel, Head, Department Of Education and Dean, Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda, Vadodara for his valuable guidance, imperative encouragement and never ending zeal for quality work. I have been amazingly fortunate to have a guide who gave me the freedom to explore on my own and at the same time provided the guidance to recover when my steps faltered. His patience and support helped me overcome many critical situations. I am deeply grateful to him for the long discussions that helped me sort out the technical details of my work. His insightful comments and constructive criticisms were thought provoking and they helped me focus my ideas.
