

LIST OF TABLES

Table No.	Title	Page No.
1.1	Major Shift Needed in Social Science Education	15
3.1	Sample Size for the present study	85
3.2	Schematic Presentation of Methodological details	86
3.3	Competencies and Sub-competencies in Perception scale	88
3.4	Competencies and Sub-competencies in Conceptual Model	93
3.5	Areas covered in Questionnaire	95
4.1	Perception of Economics Teachers on the Competencies required to be a Teacher of Economics	98
4.2	Perception of Economics Teachers on Practicability of Economics Education	98
4.3	Perception of Economics Teachers on Facilities Required for Teaching Economics	100
4.4	Perception of Economics Teachers on Skills Required for Effective Teaching of Economics	101
4.5	Perception of Economics Teachers on Development of Competencies to Understand Economic Problems	104
4.6	Perception of Economics Teachers on Subject Content	106
4.7	Perception of Economics Teachers on Organizing Content	106
4.8	Perception of Economics Teachers on Deciding Instructional Objectives	107
4.9	Perception of Economics Teachers on Classifying Objectives According to Domains	108
4.10	Perception of Economics Teachers on Selecting Appropriate Teaching Methods	108
4.11	Perception of Economics Teachers on Choosing Teaching Aids	109
4.12	Perception of Economics Teachers on Introducing Lesson and Sustaining Attention	110

4.13	Perception of Economics Teachers on Using Methods in Teaching Economics	110
4.14	Perception of Economics Teachers on Explanation of Concepts and Principles	111
4.15	Perception of Economics Teachers on Asking Questions	112
4.16	Perception of Economics Teachers on Increasing Pupils' Participation	112
4.17	Perception of Economics Teachers on Using Chalk Board	113
4.18	Perception of Economics Teachers on Organizing and Supervising Field Trips	113
4.19	Perception of Economics Teachers on Giving Home Work and Assignments	114
4.20	Perception of Economics Teachers on Maintaining Classroom Discipline	115
4.21	Perception of Economics Teachers on Closing the Lesson	115
4.22	Perception of Economics Teachers on Developing Students' Interest in Economics	116
4.23	Perception of Economics Teachers on Developing Students' Attitude in Economics	116
4.24	Perception of Economics Teachers on Developing Students' Values Towards Economics	117
4.25	Perception of Economics Teachers on Developing Different Types of Test Items	117
4.26	Perception of Economics Teachers on Classifying Test into Domains	118
4.27	Perception of Economics Teachers on Preparing Results	118
4.28	Perception of Economics Teachers on Using Results	119
4.29	Content Analysis of Chapter 1 (Part I)	121
4.30	Content Analysis of Chapter 2 (Part I)	123
4.31	Content Analysis of Chapter 3 (Part I)	125
4.32	Content Analysis of Chapter 4 (Part I)	127
4.33	Content Analysis of Chapter 5 (Part I)	129
4.34	Content Analysis of Chapter 6 (Part I)	131

4.35	Content Analysis of Chapter 7 (Part I)	133
4.36	Content Analysis of Chapter 1 (Part II)	135
4.37	Content Analysis of Chapter 2 (Part II)	137
4.38	Content Analysis of Chapter 3 (Part II)	139
4.39	Content Analysis of Chapter 4 (Part II)	141
4.40	Content Analysis of Chapter 5 (Part II)	143
4.41	Content Analysis of Chapter 6 (Part II)	145
4.42	Parents' Sources of Income	147
4.43	Views of Parents on how Knowledge of Economics Would Be Helpful to the Child to Handle Economical Crisis	150
4.44	Views of Parents For Reasons of Studying Economics	151
4.45	Views of Parents Regarding Qualities Required in Economics Teacher	151
4.46	Views of Parents on Ways of Increasing Understanding of Economics	152
4.47	Views of Parents on Preparation of Students for a Profession	153
4.48	Views of Parents on Required Base of Economics Teaching	153
4.49	Views of Parents Regarding Provision of Strong Base of Economics by the Teacher	154
4.50	Views of Parents Regarding Development of Competencies Among Students	155
4.51	Demographic Information of the Students	158
4.52	Qualification of Parents of the Students	158
4.53	Expected Essential Behaviours of Economics Teacher For Checking Previous Day Work	159
4.54	Expectations From Economics Teacher While Introducing a Topic	160
4.55	Expectations From Economics Teacher While Writing Content on The Black Board	161
4.56	Views of Students on how Teaching Aids are Helpful in Learning Economics	163

4.57	Expectations From Economics Teacher To Accumulate Resources	164
4.58	Expectations From Economics Teacher To Facilitate Problem- solving	164
4.59	Expected Prompts From Economics Teacher For the Subject Thinking	165
4.60	Expectations From Economics Teacher For Enhancing Economics Vocabulary	166
4.61	Expectations From Economics Teacher For Participation in the Economics Period	167
4.62	Expectations From Economics Teacher For Learning Economics in Better Way	168
4.63	Expectations From Economics Teacher Regarding Different Kinds Of Feedback on Responses	169
4.64	Expectations From Economics Teacher Regarding Utility of Feedback	170
4.65	Expectations From Economics Teacher Regarding Conclusion of Lesson	170
4.66	Views of Economics Students on Home Assignment	171
4.67	Views Of Economics Students on Utility of Home Assignment	172
4.68	Views Of Economics Students Regarding Additional Material Required For Strengthening Knowledge of Economics	173
4.69	Facilities Expected From The School For Learning Economics by The Economics Students	174
4.70	Views Of Economics Students Regarding Difficulties Faced While Learning Economics	175
4.71	Expectations From the Economics Teacher to overcome Difficulties	176
4.72	Expectations From the Economics Teacher For Learning Current Affairs	177

4.73	Views Of Economics Students Regarding Motivating Factors For Better Performance	178
4.74	Co-curricular Activities Expected From Economics Teacher	178
4.75	Views of Economics Students Regarding Skill Development Through Economics Education	180
4.76	Expectations From The Economics Teacher Before Examination	182
4.77	Views of Economics Students Regarding Difficulties in Attempting Types of Questions in the Exam	183
4.78	Expectations From the Economics Teacher to Overcome Difficulties in Attempting Questions	183
4.79	Type of Guidance Expected From The Economics Teacher	185
4.80	Views Of Economics Students Regarding Ways For Enhancing Competency in Economics	187
4.81	Economics Teaching Competencies In Practice	189
4.82	Follow Up Of Previous Day's Work By the Teacher	193
4.83	Ways of Introducing Lesson By The Economics Teacher	193
4.84	Ways of Focusing Content Points By The Economics Teacher	194
4.85	Use of Teaching Aids By The Economics Teacher	195
4.86	Facilitating Problem Solving By The Economics Teacher	196
4.87	Prompts Given By The Economics Teacher For Subject Thinking	196
4.88	Efforts By The Economics Teacher For Enhancing Economics Vocabulary	197
4.89	Participation of Students in The Economics Period	197
4.90	Kinds of Feedback received on Classroom Behaviour, Homework & Responses	198
4.91	Ways of Concluding The Lesson By The Economics Teacher	198
4.92	Additional Material Suggested By The Economics Teacher For Strengthening Knowledge	199

4.93	Assignment Given By The Economics Teacher	199
4.94	Activities Assigned By The Teacher While Teaching Economics	200
4.95	Efforts By The Teacher to Overcome Difficulty in Economics	200
4.96	Current Affairs Taught By The Economics Teacher	201
4.97	Co-curricular Activities Assigned By The Economics Teacher	201
4.98	Efforts by the Economics Teacher Before Examination	202
4.99	Efforts by the Economics Teacher to Overcome Difficulty in Attempting Questions	202
4.100	Guidance Provided by the Economics Teacher	203
4.101	Field Work Assigned by the Economics Teacher	204
4.102	Provision of Field Experiences by the Economics Teacher	204
