

LIST OF TABLES

| <u>Table No.</u>  | <u>Page</u> |
|---|-------------|
| 1 : Showing Internal Consistency data, Internal Consistency Indices and Difficulty Values of the Items.                                     | : 82        |
| 2 : Distribution of Items according to 'D' Values.  | : 89        |
| 3 : Data grouped for the Calculation of Mean, Median and Standard deviation of the Pilot Test Scores of 200 Pupils.                         | : 90        |
| 4 : Raw Test Scores and their Corresponding Standard Scores.  | : 92        |
| 5 : Data grouped for the Calculation of Mean, Median and Standard Deviation of the Criterion Scores. (Annual Examination Marks in Science). | : 93        |
| 6 : Raw Criterion Scores and their corresponding Standard Scores.   | : 94        |
| 7 : Scatter Diagram Between Criterion Scores and Test Scores.   | : 95        |
| 8 : Showing Scatter-Diagram Between the Teacher's Estimation and Standard Test Scores.  | : 96        |
| 9 : Frequency Distribution of the Scores - Whole Test.  | : 110       |
| 10 : Frequency Distribution of Scores - Sub Test I:   | 112         |
| 11 : Frequency Distribution of Scores-Sub Test II:  | 112         |
| 12 : Frequency Distribution of Scores -Sub Test III   | : 113       |
| 13 : Frequency Distribution of Scores - Sub Test IV.  | 113         |
| 14 : Frequency Distribution of Scores - Sub-test V:   | 114         |
| 15 : Frequency Distribution of Scores-Sub Test VI:  | 114         |
| 16 : Frequency Distribution of Scores - Sub test VII.   | : 115       |
| 17 : Showing Smoothed Frequencies of the Distribution.  | : 122       |

## List of Tables (Cohtd.)

|  |             |
|--|-------------|
| =====  |             |
| <u>Table No.</u>   | <u>Page</u> |
| 18 : Cumulative and Cumulative Percent Frequencies.  | : 128       |
| 19 : Showing Normal Curve Ordinates at Mean  | : 131       |
| 20 : Showing Normal Curve Ordinates at Mean for Sub-Test I.  | : 132       |
| 21 : Showing Normal Curve Ordinates at Mean for Sub-Test II.   | : 134       |
| 22 : Showing Normal Curve Ordinates at Mean for Sub-Test III.  | : 134       |
| 23 : Showing Normal Curve Ordinates at Mean for Sub-Test IV.   | : 135       |
| 24 : Showing Normal Curve Ordinates at Mean for Sub-Test V.  | : 135       |
| 25 : Showing Normal Curve Ordinates at Mean for Sub-Test VI.   | : 136       |
| 26 : Showing Normal Curve Ordinates at Mean for Sub-Test VII.  | : 136       |
| 27 : Chi-square test of the Normal Distribution Hypothesis applied to the Frequency Distribution : Whole Test.   | : 138       |
| 28 : Chi-square test of the Normal Distribution Hypothesis applied to the Frequency Distribution : Sub-Test I.   | : 139       |
| 29 : Chi-square Test of the Normal Distribution Hypothesis applied to the Frequency Distribution : Sub-Test II.  | : 140       |
| 30 : Chi-square Test of the Normal Distribution Hypothesis applied to the Frequency Distribution : Sub-Test III. | : 141       |
| 31 : Chi-square Test of the Normal Distribution Hypothesis applied to the Frequency Distribution : Sub-Test IV.  | : 142       |
| 32 : Chi-square Test of the Normal Distribution Hypothesis applied to the Frequency Distribution : Sub-Test V.   | : 143       |
| 33 : Chi-square Test of the Normal Distribution Hypothesis applied to the Frequency Distribution : Sub-Test VI.  | : 144       |
| =====  |             |

List of Tables (Contd.)

| <u>Table No.</u>   | <u>Page</u> |
|--|-------------|
| 34 : Chi-square Test of the Normal Distribution Hypothesis applied to the Frequency Distribution : Sub-Test VII. | : 145       |
| 35 : Data grouped for the calculation of Mean, Median and S.D. of the Distribution - Sample of 400 Boys.         | : 147       |
| 36 : Data grouped for the Calculation of Mean, Median and S.D. of the Distribution - Sample 400 girls.           | : 148       |
| 37 : Scattergram of Scores used in Split Half Method.  | : 151       |
| 38 : Showing 'pq' values of 148 Test Items   | : 156       |
| 39 : Raw Scores of the Final Test and their Corresponding Standard Scores.                                       | : 162       |
| 40 : Raw Criterion Scores and their Corresponding Standard Scores.   | : 165       |
| 41 : Scatter Diagram Between Standard Test Scores and Standard Criterion Scores.                                 | : 167       |
| 42 : Scatter Diagram Between Standard Test Scores and Teacher's Estimation.                                      | : 168       |
| 43 : Percentile Norms.   | : 172       |
| 44 : Percentile Ranks.   | : 175       |
| 45 : Showing the T-Score values for the Distribution.  | : 179       |
| 46 : Correlation Matrix.   | : 185       |
| 47 : Correlation Matrix and Computations for the First Centroid Loadings.  | : 186       |
| 48 : First Residual-Correlation Matrix.  | : 187       |
| 49 : Second Residual Correlation Matrix.   | : 188       |
| 50 : Third Residual-Correlation Matrix.  | : 189       |
| 51 : Fourth Residual-Correlation Matrix.   | : 190       |
| 52 : Fifth Residual-Correlation Matrix.  | : 191       |
| 53 : Centroid Factor Matrix.   | : 192       |
