Respected Madam/ Sir,

I am working on my Ph.D. in Centre of Advanced Study in Education at M.S. University of Baroda. The topic of the research is "Construction and Standardisation of an Interest Inventory to assess Educational Interest for Secondary and Higher Secondary Students of Gujarat". This will help the students in making a correct choices for their future studies as well as in gaining higher success in their learning.

A copy of the instrument pertaining to your descipline is attached herewith having seven sections such as - Related Vocation School subjejects - formal activities - Recreational activities, people with whom one likes to meet paired choice, and personality trait I request you to be one of the judges as a subject matter expert to check the item on interest inventory for :

- i. content validity in terms of -
- ii. whether most of your graduate enter into such vocation and nobody else can be employed unless they complete the training at your faculty/ college/ Institute.
- iii. suitability to final year students
- iv. Your suggestions and recommendations for any improvement.

If you think some items need to be included or deleted, kindly mark them on the sheet itself against the items.

Your co-operation in furnishing information will be very much valuable for my research.

An earliest intimation is appreciated.

Thanking you.

Yours faithfully,
