Respected Sir,

I the undersigned am working for Ph.D. in Education. The topic for the research is "Construction and Standardization of an Education Interest Inventory For Higher Education, In Gujarat". Technology & Engineering is one of the disciplines available in Gujarat under the study. I have selected the final year students B.E. as the criterion group. Hence I intend to collect the data from the students of various departments to study their level of interest in Engineering. .

I need 50 students for 30 minutes where they will be required to fill up the inventory. I also need to collect their last Semester's final grade.

However, I request you to kindly grant me the permission for collecting data as well as their overall grade from the Office.

Thanking you,

Yours sincerely,

Asha A. Das.
