

DECLARATION

- 1 This thesis embodies the original work done by me individually ;
- 2 With the exception of general literature pertaining to the construction and standardisation of the inventory, all the information incorporated in the thesis is derived from experiments conducted by me.;
- 3 I declare that for the thesis which I intend to submit, no degree or diploma or distinction has been conferred on me before, either in the Baroda University or in any other University ;
- 4 I certify that the above statement is correct.
