

## **Acknowledgement**

The present research project was a difficult task for me to accomplish single handedly. Many people have supported and helped in the project directly or indirectly with their inspiration guidance, suggestion and active help. As a result, the project has reached completion. I take this opportunity to express my deep sense of gratitude to all who helped in this project, particularly to the following persons and institutions.

Dr. Rajendra Nanavati, Ex. Director, Oriented Institute, M S University of Baroda suggested the topic and guided and supervised this research project. He took much pain along with his usual liabilities, familial as well-as professional, to help me finding material, reading through sense devoting much of his time and attention to me. Smt. Lataben Nanavati (Dept. of English, J. P. Arts & Science College, Bharuch) and Ms. Esha Nanavati for ever their warm support and co-operation.
