

## **ACKNOWLEDGEMENT**

I would like to express my sincere deep sense of gratitude and respect to my research guide Dr. M. Sreedevi Xavier, Associate Professor, Department of Sociology, Faculty of Arts of The Maharaja Sayajirao University of Baroda, Vadodara. She has always stood for me throughout my work encouraging, supporting, helping, suggesting and most importantly, inspiring me to produce a real means of excellence and quality work. I am fortunate that Almighty gave me this opportunity to work under such a genuine and eminent mentor. Under her immense knowledge, guidance and generosity, I have learned a lot and carried out my work passionately with her noble vision and thoughts.

I would also like to acknowledge Prof. P. S. Choondawat, Head, Department of Sociology, The M. S. University of Baroda for his support. I am truly thankful to all my teachers of the Department of Sociology.

I am highly grateful to all selected Corporations and their management for giving me approval to include their Corporations as a part of my research sample.

I owe a great deal of appreciation to all the respondents from HR, CSR, and other Cross Functional Divisions of the Companies. Despite of their busy schedule and work, they extended warm and positive response and shared information in a good corporative manner which was of a great help in data collection.

I express my deepest gratitude to all the beneficiaries of selected companies from the surrounding villages. It might have been difficult being an outsider to communicate with the village people but they showed tremendous cooperation during my interactions. The way they shared information helped me to get knowledge from the grassroots level which I required the most.

My sincere gratitude is extended to the NGOs and other institutes, especially The Akshaya Patra Foundation, Vadodara and their team for giving me an opportunity to see

the production unit and their excellent work process for Mid-Day Meal program for school children.
