

Research Abstract

This is an abstract of the Thesis submitted to The M S University of Baroda for the Award of the Degree of Doctor of Philosophy In Psychology through the Department of Psychology, Faculty of Education and Psychology.

The Researcher has written this abstract to provide an overview of the research work completed and to provide synoptic highlights to the problem addressed through the research work. Essentially the abstract has been divided into 5 main parts with each part providing an overall perspective without detailing that has been done in the main body of the thesis.

The 5 main sections of the abstract are:

Section 1: Introduction to the Abstract

Section 2: Methodology

Section 3: Findings, Results and Discussion

Section 4: Conclusion and Discussion

Section 5: Limitations of Study
