*Today with humility, misty eyes and folded hands when I thank Almighty in these blissful moments, I am also expressing my innermost into words. Research is an arduous task that involves consistent and dedicated mind with persistent hard labour put into it. This can only be possible with His benediction and grace.*

*Language is the most eloquent vehicle of human expression, yet on occasions one finds it difficult to get appropriate words to express an emotion fully. Murthy**, Professor of Pharmaceutics respectively, whose continuous encouragement, invaluable guidance, constructive criticism, precious suggestions, crucial help, benevolent attention and tireless efforts enabled me to execute this project successfully. I would also like to thank for support and co-operation provided by **Dr. Sunil Nadkarni**, (V.P. Product Development), **Mr. P.C. Gandhi** (V.P., Product development), **Dr. Vijay Chauthaiwala** (G.M., Discovery) and **Mr. Hasmukh Patel** (G.M., Techno commercial Department) of Torrent Research Centre, as it is a rare gesture in Industrial circles. I acknowledge **Mr. Rakesh Seth** and **Mr. Pratheep Johnson** for giving me the freedom to carry out my work.*

*It would be an omission not to mention my gratitude to all individuals involved regardless of their status, position and the magnitude of their contribution.*
