

## ACKNOWLEDGEMENTS

I would first like to thank THE ALMIGHTY for blessing me with wisdom, ability and peace of mind during this research work.

It is with great pleasure and a profound sense of reverence that I express my deepest gratitude and sincere thanks to my esteemed guide, Dr. (Mrs.) Rajani Giridhar, Reader, Pharmaceutical Chemistry, Pharmacy Department, Faculty of Technology and Engineering, The M.S. University of Baroda, Vadodara for her guidance, support, perpetual encouragement and unlimited love. Her timely moral support has enabled me in the successful completion and compilation of my work in the present form. It is a great pleasure to acknowledge the generosity for the kind venture she had pursued during my study.

I, at this moment of time, cannot express in words, the invaluable guidance and thorough wisdom bestowed by Dr. M. R. Yadav, Professor, Pharmaceutical Chemistry, of the Department. Apart from his technical and scientific guidance, I highly admire his systematic style of working, unbiased nature and perpetual encouragement. I am greatly indebted to him for his support and constant creative motivation throughout the course of my work.

I am very much thankful to Dr. R. Balaraman, Professor, Pharmacology and Co-ordinator, Center for Post-graduate Studies and Research, G. H. Patel Building, Pharmacy Department, Vadodara, for helping me in all aspects of pharmacological screening, without which, the work would be incomplete.

I am very much grateful to Prof. A. N. Misra, Head of the Department, Prof. R. S. R. Murthy and Prof. S. H. Mishra for the

authoritative support and facilities provided to me in carrying out this work.

My sincere thanks are due to The Dean, Faculty of Tech. and Engg., The M. S. University of Baroda, Vadodara, for providing the necessary facilities for my research work.

I wish to express my sincere thanks to the entire teaching staff of the Pharmacy Department, for their co-operation and support during this work.

I am very much thankful to the entire non-teaching staff, for their constant co-operation throughout my work

I am very much thankful to Mr. Arvind Parmar for his timely help in pharmacological screening.

Words cannot fully express my appreciation to the contribution of my colleagues, and friends. It is a pleasure to convey my feelings to all of them for their moral support, constant encouragement and help in every phase of my work.

I am extremely grateful to Dr. D. R. Patel, Astral Pharmaceutical Industries, Vadodara, for the support and encouragement provided during the course of this work.

I wish to acknowledge the **University Grants Commission, New Delhi** for the financial assistance provided to me as a Senior Research Fellow during this research work.

My thanks are due to RSIC, Panjab University, Chandigarh; RSIC, IIT, Chennai; Department of Chemistry, The M.S. University of Baroda, Vadodara; Sun Pharmaceutical Advanced Research Center, Baroda; Torrent Research Centre, Ahmedabad and Cadila /

Pharmaceuticals, Ahmedabad for providing the spectral data of the compounds.

I wish to thank staff members of Hansa Mehta Library, Vadodara; T. K. Gajjar Library of Faculty of Technology and Engineering, Vadodara; Library of L. M. College of Pharmacy, Ahmedabad; Library of Sun Pharmaceuticals Advanced Research Center, Vadodara; Library of Department of Chemistry, S. P. University, Vallabh Vidyanagar for their kind cooperation during the course of my work.

I would like to place on record my special thanks to Mr. Bhavinkumar Patel and Mr. Pradipkumar Patel of Charotar Associates, Anand for diligently type setting my thesis in time.

I express my heartiest thanks to my husband Dr. Ritesh for his invaluable co-operation and constant creative motivation throughout the course of this work.

Far from words would express, is the constant inspiration and loving care shown to me by my family members. Without their kind blessings, best wishes, moral support and encouragement, this work would not have been the same. It is impossible to find appropriate means to fulfill the eternal debt, which I owe to them

Last, but certainly not the least, a blend of gratitude, pleasure and great satisfaction, is what I feel to convey to all those who helped me directly or indirectly in the fulfillment of this thesis work.
