

## **Contents**

### **Part A –Synthesis, Antiproliferative and Antiplatelet activity of 1,4-diazepines**

1.	Introduction	1
2.	Aims and objectives	32
3.	Results and discussion	33
4.	Experimental work	61

### **Part B- Synthesis and Anti-HIV activity of 4,6-diaryl-2-amino pyrimidines**

5.	Introduction	120
6.	Aims and objectives	125
7.	Results and discussion	127
8.	Experimental work	137
9.	Summary and conclusion	146
	References	151
	Publications	169
