

LIST OF TABLES

Table No.		Page No.
2.1	Physical Indicators of Performance of Indian Airlines.	37
2 2	Physical Indicators of Performance of Indian Airlines.	38
2 3	Financial Indicators of Performance of Indian Airlines.	39
2.4	Available Ton Kilometre and Revenue Ton Kilometre of Indian Airlines.	44
2.5	Trends in Revenue of Indian Airlines at Current Prices.	48
2.6	Trends in Revenue of Indian Airlines at 1980-81 Prices.	49
2.7	Trends in Expenses of Indian Airlines at Current Prices.	53
2.8	Trends in Expenses of Indian Airlines at 1980-81 Prices.	54
2.9	Trends in Operating Ratio and Net Profit /Loss after Tax of Indian Airlines at Current Prices.	57
2.10	Trends in Operating Ratio and Net Profit /Loss after Tax of Indian Airlines at 1980-81 Prices.	58
2.11	Average Operating Revenue, Average Operating Expense and Yield of Indian Airlines at Current Prices.	62
2.12	Average Operating Revenue, Average Operating Expense and Yield of Indian Airlines at 1980-81 Prices.	63
2 13	Results of Regression on Time 1964-65 to 1993-94 (Current Prices).	72
2 14	Results of Regression on Time 1964-65 to 1978-79 (Current Prices).	73

2.15	Results of Regression on Time 1979-80 to 1993-94 (Current Prices).	74
2.16	Results of Regression on Time 1964-65 to 1993-94 (Constant Prices)	75
2.17	Results of Regression on Time 1964-65 to 1978-79 (Constant Prices)	76
2.18	Results of Regression on Time 1979-80 to 1993-94 (Constant Prices)	77
2.19	Coefficient of Variation of some Selected Indicators (Current Prices)	78
2.20	Coefficient of Variation of some Selected Indicators (Constant Prices)	79
2.21	Patterns of Share Holdings.	84
3.1	Tapering Design.	106
3.2	Available Seat Kilometre and Revenue Passenger Kilometre of Indian Airlines.	121
3.3	Passenger Yields at 1980-81 and Current Prices of Indian Airlines.	122
3.4	Regression Results of Passenger Demand Functions of Indian Airlines. (Dependent Variable – RPK in Physical Units)	128
3.5	Regression Results of Passenger Demand Functions of Indian Airlines. (Dependent Variable – RPK in Physical Units)	129
3.6	Cargo Revenue Ton Kilometre of Indian Airlines.	138
3.7	Cargo Yields at 1980-81 and Current Prices of Indian Airlines.	139
3.8	Regression Results of Cargo Demand Functions of Indian Airlines. (Dependent Variable – CRTK in Physical Units)	145
4.1	Total Expense and Share of Labour and Capital in Total Expense.	177

4.2	Shares of Energy and Materials in Total Expenses.	178
4.3	Prices of Labour and Capital in Indian Airlines.	181
4.4	Prices of Energy and Materials in Indian Airlines.	182
4.5	Labour and Capital Employed in Indian Airlines.	186
4.6	Energy and Materials Employed in Indian Airlines.	187
4.7	Parameters' Estimate : Translog Cost Function.	189
4.8	Estimates of the Likelihood Ratio Test (LRT) Statistics with Restrictions on the model.	191
4.9	Cost Elasticities with Respect to Output and Economies of Scale.	194
4.10	Estimates of Elasticities of Substitution.	198
4.11	Estimates of Elasticities of Substitution.	199
4.12	Estimates of the Own Price Elasticities of Demand.	203
5.1	Gross and Net Profit of Indian Airlines.	219
5.2	Returns on Capital Employed and Networth in Indian Airlines.	222
5.3	Productivities of Seat, Staff and Fuel in Indian Airlines.	228
5.4	Profit Margin Ratio, Sales Turnover Ratio, labour Output Ratio and Yield of Indian Airlines.	238
