

LIST OF TABLES

Table No.	Title of the Table	Page No.
3.1	Sample specified as per the objectives	99
3.2	Schedule of Implementation of the Intervention Programme	101
3.3	Blueprint: Entry level test	107
3.4	Details of the Questions in Achievement test	108
3.5	Objective-wise analysis of data	111
4.1	Percentage Analysis of Information Schedule of Physics	113
4.2	Crossword & clues on Motion	136
4.3	Activity sheet relating mass and inertia	144
4.4	Crossword & clues on Gravitation	152
4.5	Observation table to establish relation between force and acceleration	154
4.6	Observation table to establish relation between force and mass	154
4.7	Observation table on Newton's third law of motion	158
4.8	Worksheet on application of Newton's third law of motion	160
4.9	Crossword & clues on Laws of Motion	162
4.10	Observation table to measure density of the metal bob	172
4.11	Observation table relating loss in weight of solid and volume of liquid displaced	175
4.12	Crossword & clues on Floatation	178
4.13	Worksheet: Reason out whether scientifically work is done or not	179
4.14	Crossword & clues on Energy	184
4.15	Observation table for angle made by the axis of the tubes with normal	191
4.16	Crossword & clues on sound	196
5.1	Test of Between Subject Effects	199
5.2	Mean & Standard Deviation of achievement test	199
5.3	Leven's test of Equality of Error	199

5.4	ANCOVA Output	200
5.5	The estimated marginal means of achievement test	200
5.6	Percentage analysis of student's response on the interpretation of physics concepts from the stories	201
5.7	Analysis of responses of students on question- 1 (story 1)	202
5.8	Analysis of responses of students on question- 2 (story 1)	203
5.9	Analysis of responses of students on question- 3 (story 1)	204
5.10	Analysis of responses of students on question- 4 (story 1)	204
5.11	Analysis of responses of students on question- 5 (story 1)	205
5.12	Analysis of responses of students on question- 1 (story 2)	206
5.13	Analysis of responses of students on question- 2 (story 2)	207
5.14	Analysis of responses of students on question- 3 (story 2)	208
5.15	Analysis of responses of students on question- 4 (story 2)	209
5.16	Analysis of responses of students on question- 5 (story 2)	209
5.17	Analysis of responses of students on question- 1 (story 3)	211
5.18	Analysis of responses of students on question- 2 (story 3)	212
5.19	Analysis of responses of students on question- 3 (story 3)	213
5.20	Analysis of responses of students on question- 4 (story 3)	214
5.21	Analysis of responses of students on question- 5 (story 3)	215
5.22	Analysis of responses of students on question- 1 (story 4)	216
5.23	Analysis of responses of students on question- 2 (story 4)	217
5.24	Analysis of responses of students on question- 3 (story 4)	218
5.25	Analysis of responses of students on question- 4 (story 4)	219
5.26	Analysis of responses of students on question- 5 (story 4)	220
5.27	Identified Concepts/Principles from Image 1	223
5.28	Identified Concepts/Principles from Image 2	225
5.29	Identified Concepts/Principles from Image 3	227
5.30	Identified Concepts/Principles from Image 4	229
5.31	Identified Concepts/Principles from Image 5	231
5.32	Identified Concepts/Principles from Image 6	233
5.33	Identified Concepts/Principles from Image 7	235
5.34	Identified Concepts/Principles from Image 8	238

5.35	Identified Concepts/Principles from Image 9	240
5.36	Identified Concepts/Principles from Image 10	242
5.37	Identified Concepts/Principles from Image 11	244
5.38	Identified Concepts/Principles from Image 12	246
5.39	Percentage analysis of student's reaction towards the intervention programme	248
5.40	Analysis of responses of students on statement – 1	250
5.41	Analysis of responses of students on statement – 2	251
5.42	Analysis of responses of students on statement – 3	251
5.43	Analysis of responses of students on statement – 4	252
5.44	Analysis of responses of students on statement – 5	253
5.45	Analysis of responses of students on statement – 6	253
5.46	Analysis of responses of students on statement – 7	254
5.47	Analysis of responses of students on statement – 8	255
5.48	Analysis of responses of students on statement – 9	256
5.49	Analysis of responses of students on statement – 10	256
5.50	Analysis of responses of students on statement – 11	257
5.51	Analysis of responses of students on statement – 12	258
5.52	Analysis of responses of students on statement – 13	258
5.53	Analysis of responses of students on statement – 14	259
5.54	Analysis of responses of students on statement – 15	260
5.55	Analysis of responses of students on statement – 16	260
5.56	Analysis of responses of students on statement – 17	261
5.57	Analysis of responses of students on statement – 18	262
5.58	Analysis of responses of students on statement – 19	262
5.59	Analysis of responses of students on statement – 20	263
