Dear Shri Biswal,

Kindly refer to your letter of 22nd September, 1977.  
(No.CASE/B/626) regarding research on School Broadcast Programmes for which you are collecting data. We are writing to the Station Director, All India Radio, Cuttack, to provide you the facilities as far as possible. You are requested to get in touch with the Station Director and the Producer, Educational Broadcasts, at that station. We are enclosing a statement of educational broadcasting in outline covering the whole country. Most of our school broadcast pamphlets are in the regional languages which might not be of much use to you. We are broadcasting English Language Lesson programmes produced in collaboration with the Central Institute of English and Foreign Languages, Hyderabad, from more than twenty stations. The Institute has produced teachers' notes for these broadcasts catering to primary as well as secondary students. We would suggest to you to get in touch with them and ask for the notes for teachers and a few scripts if you want. The address is Shri K.V.Devidas, Reader, Central Institute of English and Foreign Languages, Hyderabad-7.

2. Kindly acknowledge receipt.

With regards,

Yours sincerely,

Sd/- T. Janakiraman
