To

All Heads Of the Secondary Schools of Orissa.

Sub : RESEARCH ON SCHOOL BROADCAST—COLLECTION OF DATA

Dear Sir/Madam;

I am collecting data to know the present position of School broadcast programmes in terms of the needs and problems of the secondary schools of Orissa, on the basis of which an experiment would be conducted for its effective utilisation.

In order to bring about an improvement in the system, your whole hearted response to the following questionnaire is most essential. It does not matter if you are not using the broadcast programmes. The data collected would be used for research purposes only. Kindly complete the questionnaire and send it back at your earliest convenience.

Thanking You,

Yours faithfully

(B. Biswal)
