

## **APPENDIX IV**

### **SEMI STRUCTURE INTERVIEW SCHEDULE FOR TEACHERS**

1. The analysis of school textbooks reveals that content on the needs and problems of adolescents does not find a place in them. Do you agree to the statement? Please justify your answer.
2. A teacher's job is primarily one of teaching and explaining subject matter and not with adolescence education. How far do you agree with this statement after attending the programme?
3. What kind of change did you notice in the behaviour of the students after the completion of the programme?
4. What is your opinion about the nature of the programme?
5. How many periods do you think should be allotted for such type of education per week?
6. How much training will be required for teachers to successfully implement the programmed?
7. What is your opinion regarding the teaching of adolescence education contents through the help of the modules given during the programme?
8. What steps should be taken to ensure that such adolescence education programmes are strictly implemented
9. Would you like to continue with this kind of programme?
10. Mention any suggestion to improve the training programme
