

A C K N O W L E D G E M E N T

I take this great opportunity to acknowledge the help, guidance and support given by different persons.

My sincere gratitude to Prof. Sneha Joshi, (Dean, Faculty of Education & Psychology, M.S. University of Baroda, Baroda); for encouraging me to undertake & accomplish this research.

It is my greatest pleasure in forewarding my most sincere gratitude to my guide Dr. N. Pradhan (Reader, Dept. of Educational Administration, Faculty of Education & Psychology, M.S. University of Baroda, Baroda, for providing valuable guidance and timely advice at different stages of my work. He has always motivated and encouraged me for carrying out the work sincerely.

I would also like to thank Prof. D.R. Goel (Head, CASE, Faculty of Education and Psychology, M.S. University of Baroda, Baroda for giving some valuable suggestions for my work.

My special thank goes to the school principal Fr. William (DON BOSCO SCHOOL) for giving me permission to carry out the experiment. I would also like to thank the school teachers espically Chemistry teacher, Computer teacher and Students of standard XI science who participated in this work for their kind cooperation.

I owe my sincere thanks to Mrs. Saroj Padhye (Librarian, CASE, Faculty of Education & Psychology, M.S. University of Baroda, Baroda) for providing necessary academic help.

My special thank goes to Dr. Milind Sahasrabudhe and Archana Tomar (Lecturer, Faculty of Education & Psychology, M.S. University of Baroda, Baroda) for helping me at different stages of my work and for giving moral support.

I would like to thank Mehta Jignesh, for his excellent typing work and Rakesh Dabekar for xerox work.

Last but not the least I owe my thanks to my family members for giving me moral support.
