

Acknowledgements

I take this opportunity to thank and express my gratitude to all those who directly or indirectly helped me to accomplish this venture.

It gives me deep-seated pleasure to express my profound gratitude and indebtedness to my research guide Dr. S. H. Mishra M. Pharm., Ph. D., FPC, Professor of Pharmacognosy, Pharmacy Department, Faculty of Technology and Engineering, The M. S. University of Baroda, for his valuable guidance and suggestions, keen interest, scholastic advice and critical approach towards completion of this work.

My heartfelt thanks to Dr. R. Balaraman Professor and Head Pharmacy Department, and Dr. A. N. Mishra, Professor and Former Head, Faculty of Technology and Engineering, The M. S. University of Baroda, Vadodara, for providing necessary facilities to carry out the research work.

My heartfelt thanks to Dr. (Mrs.) Rajani Giridhar Coordinator, Prof. M. R. Yadao, Former Coordinator, Center for PG studies and Research in Pharmacy, and Prof. R. S. R. Murthy, Pharmacy Department, Faculty of Technology and Engineering, The M. S. University of Baroda, for providing necessary facilities to carry out the research work.

I also extend my sincere thanks to all the teaching staff of Pharmacy Department, Faculty of Technology and Engineering, The M. S. University of Baroda, Vadodara, for their co-operation and support during the research work.

My sincere thanks are due to Dr. (Mrs.) Susy Albert, Associate Professor, Botany Department, The M. S. University of Baroda, for authentication of plant materials and for her help in anatomical studies of the plant materials.

My thanks are due to Vaibhav Analytical Laboratory, Ahmedabad, and SDPARC, Kim for Elemental analysis of the plant materials, CSMCRI, Bhavnagar for NMR & CHN analysis, Manipal college of Pharmaceutical sciences Manipal for GC-MS analysis, and Oxygen Healthcare Research Pvt Ltd, Ahmedabad for MASS analysis.

I am cherished by working with my friends Manish Lanhale, Somshekar, Mahan and Dr. A. R. Bafna, I heartily thank them for their support and encouragement during the entire period of studies.

I also wish to thank my research colleagues Mannan Raval, Suresh Soletti, Mayur Patel, Ashish, Neeraj, Mahender and all fellow colleagues in the Herbal Drug Technology Laboratory for their co-operation.

I also extend my thanks to all non-teaching staff of Pharmacy department for their co-operation and support.

I am also thankful to University Grants Commission (UGC), New Delhi, for providing financial assistance in the form of Junior Research Fellowship (JRF) to carry out this work.

Heart felt thanks to Mr. Shankar, Prof. Md. Khaleel, and Prof. T V Narayana, Manohar and Prasanna for their support and encouragement during the entire period of studies.

It is my pleasure to thank my parents, brother, sister and brother-in-law for their love, and constant encouragement without which this work would not have been the same.

I also acknowledge all those who directly or indirectly helped me in the fulfillment of this work.

30th day of December 2008

Krishna Murthy
