Papers Submitted at National /International Conferences

Sr. No	NAME OF CONFERENCE	ORGANISED BY	DURATION	TITTLE
1	NPSC 2004	IIT Chennai	29/12/2004 To 31/12/2004	Frequency Response Analysis of transformers and motors
2	International conferences of electrical machines & system, ICEMS 05,	South East University China	25-30th September 2005	Online condition monitoring of Induction motors through signal processing-
3	Doble Conference 06	Doble	March 2006	Online Condition Monitoring of Motors
4	NDE 2007	ISNT	Nov 2007	Multi Technology Approach to Motor Condition Monitoring
5	ELROMA 08	IEEMA	January 2008	Indigenous Development of Online Condition Monitoring Tool- Motor Current Signature Analysis
6	REMES 08	NIT, Changa	September 2008	Online condition Monitoring of Motors
7	7th International R&D conference 09	CBIP	4th -6th February 09	Online Condition monitoring of Motors using Signature Analysis
8	Maintenance of Electrical Equipment and Energy Management	SPE	29TH-30TH May 09	Motor Current Signature Analysis as a Preventive Maintenance Tool of Induction Motors
