

ACKNOWLEDGEMENT

I find no suitable words to express my profound indebtedness, and heartfelt deep sense of gratitude to Dr Bijoy Kumar Chakraborty, Prof. & Head, Dept of Foods & Nutrition, Faculty of Home Science, M S University, Baroda, who played the pivotal role in my research as a guide. I thank him for his inspiring guidance, thought provoking suggestions, affectionate help and above all creative and constructive criticisms. I must confess that it has been a rare privilege for me to be associated with him during my doctoral programme.

I am grateful to the Univeristy of Agricultural Sciences, Dharwad, for deputing me for doctoral study . I sincerely acknowledge the receipt of the ICAR senior fellowship during the tenure of my study.

I avail this opportunity to express my gratitude to all the staff members of the Department of Foods & Nutrition, in particular to Dr Shashi Tuteja & Dr U.V. Mani for their infinite affection, help, and co-operation.

The help and co-operation rendered by my Ph D colleagues, specially by Sunita and Mini and friends, Rahul, Dr Basarkar, Hemlata, Sumangla, Vijayalakshmi, Vijaya Barve, Pratibha and Veena are sincerely acknowledged.

I express my deep sense of gratitude and appreciation to my mother, Smt. Shanthabai, husband, Dr Krishna Naik, daughter, Shwetha and son, Sammet, but for their encouragement and support it would have been impossible to complete this project. A big thanks to Veekays and Tutejas.

Baroda.
Nov. 1993.
