

## **ACKNOWLEDGEMENT**

Research is a never ending acquisition of knowledge or data, which cannot be done by any single person without the help of others. At this point of time I feel that the present work would not have been completed by thus far without the blessing of God, my parents, the able guidance of my teachers, co-operation offered by my friends and the encouragement and support of my well-wishers. I am indebted to all those who have contributed me directly and indirectly towards the successful completion of this project work.

My deepest gratitude is to my worthy supervisor, Prof.(Mrs.). Sadhana.J.Rajput. whose continuous encouragement, invaluable guidance, constructive criticism, precious suggestion, crucial help, benevolent attention and tireless efforts enabled me to execute this project successfully. I will never forget the spirit of sincerity, devotion, dedication, moral certitude and ethics she has inculcated within me during this period.

I express my sincere thanks to Prof. M.R. Yadav, Head, Pharmacy Department, for having provided me with the necessary laboratory facilities and congenial ambience.

I am immensely thankful to M/S, Glenmark Pharmaceuticals Ltd (Mumbai, India), Halcyon Labs Pt.
