Sub: Permission for Administering Questionnaire to Students for
Research Study

Dear Sir / Madam,

I am Ph.D. Student of Department of Human Development and Family Studies, Faculty of Home Science, The M.S. University of Baroda, Vadodara. As part of my doctoral degree programme, I am carrying out a research entitled **“DEVELOPMENT OF VALUES IN LATE CHILDHOOD: A VIEW FROM HINDU RAJASTHANI FAMILIES”**. The research aims to describe Parents' and Teachers' perceptions in developing values and to identify the values held by children of 9-12 years of age belonging to urban Middle Class Families of Udaipur City.

I would be highly obliged if I can identify my sample for the study from children studying between standard IV to VII of your school. I assure that I would not disturb the classes and grateful for your co-operation.

Thanking You.
