

## ACKNOWLEDGEMENT

I am thankful to **Dr. P.C. Mankodi**, Reader in Zoology, for his kind guidance and valuable suggestions during this research work.

This work would not be possible without the support of my wife Mrs. Chandrika A. Goswami and my children Namrata and Mohitgiri. I appreciate their patience and cooperation.

I am thankful to Dr. Ms. G. S. Padate, In-charge Head, Department of Zoology and other former Heads of the department during my work tenure for providing me necessary laboratory facilities and permission to carry out this research work. I am highly thankful to Dr. K. D. Vachhrajani for his continuous support.

I am thankful to Dr. K. J. Ganatra, Principal, M. V. Mahila Science and Home Science College, Rajkot, for his cooperation, encouragement and providing laboratory facilities for the work. I am also thankful to former Principal, Dr. A. V. Doshi and I/c Principal Mr. P. D. Kotak for their co-operation in research work and granting permission to carry out this research work. I am also thankful to Ms. V. V. Umrana, Head, Microbiology Department, and other teachers of this college for their valuable co-operation.

I am thankful also to Prof. S. B. Babarya Head, Department of Agriculture Chemistry & Soil Science, Junagadh Agriculture University, Junagadh for imparting training in soil analysis at his laboratory. I am highly thankful to the academic, research and assistant staff of this department for their continuous support during and after my training.

I am extremely thankful to research students Mr. Chandresh Dave, Mr. Pranav Pandya, Ms. Ankita Parikh, Mr. Mayurdan Gadhvi, Dr. Jignesh Ramoliya, Mr. Ashok Waghela and Mr. Rahul Gohel of Vadodara and Rajkot for their continuous support in many ways during my research work and thesis compilation.
