1. One of the big land-ownering cultivators One of the big land-ownering cultivators and a leading Anavil of Haria, Gulabhai Makanji Desai, is over sixty; but still plays active part in agricultural activities. He is a matriculate and holds the position of Chairman in three institutions, viz. Pardi Peoples' Co-operative Bank, Education Trust Managing Pardi Secondary School affairs and The Southern Chieret Fruit and affairs and The Southern Gujarat Fruit and Vegetable Growers Association. He has been snapped when he was at work in his afus-orchard.

An Anavil young woman. She has passed S.S.C. Examination and is married to a double-graduate of a neighbouring village. Note the modern style of dress and golden necklace she wears.
