

## ACKNOWLEDGEMENTS

I am gratefully indebted to my revered guide Dr.(Mrs.) K.A.Bhagwat, Reader, Department of Botany, the M.S.university of Baroda, for selecting this research field. Her esteemed guidance and creative criticisms with constant encouragement for tentative attempts are sincerely thanked with deep sense of gratitude.

With gratitude I express my thanks to Prof. A. R. Mehta, Head, Department of Botany, for providing adequate research facilities and showing special interest in my work by discussing at all the lead lecturer and seminars, as a boost.

I acknowledge the timely advice and help rendered by Prof. S.D.Sabnis and Prof. R.P.Bhatt of our department and their profound encouragement from time to time. Special acknowledgements are due to Prof. S.B.Chaphekar, presently the Dean, Salim Ali School of Ecology, University of Pondicherry and Prof. Y. D. Singh, Department of Biosciences, Saurashtra University, for their fruitful criticisms and suggestions in this work, during their visit to our department.

I am greatly indebted to Dr. R. Krishnamurthy, colleague cum friend, and a constant source of inspiration, for his ardent help rendered most of the time during the investigation. I am also grateful to Miss Sandhya R. Gore, colleague cum friend, and another source of inspiration, for her extended help and co-operation to carry out this work. The other colleagues Mr. K. E. Mothi Kumar and Mr. N. Murugan are also thanked for their extended co-operation and friendly help.

Thanks are also due to my friends Dr. D. T. Gokak, Chemistry Department, for his help in the fumigation studies, and Dr. A. Selvapandiyam, Dr. K. Rajarathinam, Mr. J. Subramani and Mr. M. Nataraj for their help.

It gives me great pleasure to express my profound sense of gratitude to my beloved Parents and other family members for helping me to fulfill this work with their eternal encouragements and blessings.

The financial support given by the M.S.University of Baroda at the beginning and by the Council of Scientific and Industrial Research, New Delhi, at later stage are gratefully acknowledged.
