

Appendix

List of the Scheduled Castes published
under the Constitution(Scheduled Castes)
order, 1950.

The lists contained in the Appendix are the first available data on the names and population of the Scheduled Castes in the different parts of the country after 1947. These lists were a revised version of the lists of the Scheduled Castes under the Government of India(Scheduled Castes) order, 1936. And the lists of Scheduled Castes issued in 1936 were a continuation of the earlier lists of the Depressed classes drawn in the Census of 1931.

The states of India have been reorganised after Independence and therefore, the position could be different presently.

Statewise list of the Scheduled Castes (Depressed Classes) as published under the Constitution (Schedule Castes) Order, 1950.*
