

## ACKNOWLEDGMENTS

*I would like to express my deep sense of gratitude to Prof. A.V.Ramachandran, my research guide, for his commendable support, as a supervisor and philosopher, throughout the course of the present investigation. His suggestions from time to time, have been of tremendous help in overcoming the moments of difficulty during the course of investigation.*

*I am grateful to Prof. Bonny Pilo, Head, Department of Zoology for providing the necessary laboratory facilities which enabled me to complete the research work.*

*Words cannot truly express the regards which I hold for Dr. M.V. Asnani, who has always been a source of encouragement and help to me in various ways. Her unflinching help and cooperation at all stages of my work and her technical expertise has helped me in no uncertain way to present my work in the present state.*

*The author feels obliged to Dr. M.M. Aruldas, Head-in-Charge, Department of Endocrinology, University of Madras, Madras and his students Mr. M.M. Maran and Mr. A. Thiruvengadam for their ready help and guidance in the execution of RIA and also their cooperation in collecting relevant reference base.*

*I owe a special word of thanks to Dr. P.K. Dev, Zoology Department, University of Rajasthan, Jaipur; Dr. T. Chandrasekhar and Mrs. Sangeeta Nair, Scientists at the Animal Physiology Division of the National Dairy Research Institute, Karnal, who provided me the most required assistance as and when required of them.*

*Thanks are also due to all the teaching and non-teaching staff, Department of Zoology M.S. University.*

*I express special thanks to Dr. Meena M. Patel for introducing me to the surgical technique of pinealectomy and to Dr.G.P. Das and Mr. A.S. Nadkarni, Sarabhai Research Centre, Baroda for timely supply of rats.*

*Friends in need are friends indeed holds quite true, and I have had such friends in Avnesh, Harsha, Isha, Nancy and Suresh and my colleagues.*

*Moments of stress and strain which came my way have appreciably been shared with me by my parents, brothers and sisters. The lighter moments were made most livelier by Gaurav, Saurabh, Bhoomika and Saksham-love and childish pranks were their forte and they kept up to it.*

*Financial assistance provided by the Council of Scientific and Industrial Research, New Delhi in the form of Senior Research Fellowship is duly acknowledged.*

*Finally I convey my thanks to M/s Midea Point, Baroda for printing the thesis.*
