I express my sincere thanks to my B.Ed. students for the session 1974-75 at D.A.V. College of Education, Abohar and heads of the local schools who extended an exceptional cooperation for completing the study. Besides my thanks are due to Mr.A.N.Mishra, Mr.D.Sansanwal and Mr.N.Vora of the CASE who extended their kind help in different ways.

I am indebted to the innumerable authors and research workers for having taken the liberty to draw freely on their sources either published or unpublished.

I duly acknowledge the sacrifices of the members of my family, Uma (wife), Vijai, Karan and Kiran for the completion of this study.

In the end, I am overwhelmed with emotions to express my deep indebtedness to my revered mother and later father - teacher who have ever been a source of inspiration, encouragement and warmth in my higher learnings. I wish I could have completed this study four months earlier during the life time of my late revered father.
