

ACKNOWLEDGEMENTS

I am very grateful to the financial assistance provided by the Vadodara Urban Development Authority (VUDA) and University Grants Commission (UGC, New Delhi) during the course of investigation.

The close supervision and constant encouragement of Dr. S.J. Bedi have been a source of inspiration throughout the study. He has been to me a friend, philosopher and guide at times of my depression and hard work.

It is a pleasure to acknowledge the help by the Head, Department of Botany, Prof. A.R. Mehta, for providing facilities during the course of this study.

Suggestions given by Profs. S.D. Sabnis and R.P. Bhatt during the period of investigation were very helpful. I am thankful for the whole-hearted support of Drs. M. Daniel and Y.T. Jasrai during the practical work. My acknowledgements for the help of Drs. G.M. Nair and K.S. Rao in the anatomical studies. The help of Profs. M. Srihari and H.C. Patel in statistical analysis is gratefully acknowledged.

I am very grateful to Prof. P.S. Dubey for his timely help in highlighting some of the conclusions of this study. His personal interest in the completion of this work is gratefully acknowledged.

Suggestions of Profs. C.K. Varshney, D.N. Rao, S.B. Chaphekar and F. Murray have given a lot of inspiration during the study period.

II

I am deeply indebted for the encouragement given by my parents and Mrs. & Mr. T. Narasimham throughout the study period.

I am thankful to all my colleagues and friends, Mrs. & Mr. Pandya, Miss. Saraswati Ayer, Shri G.S. Sisodia, Mr. R. Vijayan, Mr. M. Natraj, Mr. Philip John, Mr. R.V. Ramana and Mr. Badri without whose help the work would not have been completed.

The transcription of the manuscript has been done by Shri Adi Karkaria. His strenuous efforts to minimise errors in transcription are gratefully acknowledged.
