

ACKNOWLEDGEMENTS

I express my sincere gratitude to my guiding teacher Dr. S.J. Bedi for suggesting the problem to me, for his valuable guidance and constant encouragement throughout the tenure of the work.

I am greatly thankful to Prof. S. D. Sabnis, Head, Department of Botany for providing facilities and the support rendered by him. I am also thankful to Prof. R. P. Bhatt for his valuable suggestions given during the work.

My sincere thanks are due towards Prof P. S. Dubey for his kind suggestions and constructive criticism. I am also grateful to Prof. L. P. Mall for his timely encouragement.

The suggestions given by Prof. S. B. Chaphekar, Prof. D. N. Rao, Prof. C. K. Varshney, Prof. F. Murray, Dr. K. J. Ahmed and Dr. H. C. Sharma are also thankfully acknowledged.

I am deeply indebted to my parents and my sister for the support rendered by them in difficult times. I am extremely thankful to my husband Mr. R. S. Pandya for helping me in analysing the data. His timely help has enabled me to complete this work in this shape. I owe a deep sense of gratitude to my children for their cooperation.

I am deeply obliged to my friends Dr. & Mrs. Shashikant and Dr. N.S.R. Krishnayya without whose benevolence the work would have not been completed. I am also thankful to my colleagues Miss Saraswati Ayer, Mr. R. Vijayan and Mr. D.S. Sisodia for their help.

The financial support given by Vadodara Urban Development Authority, is gratefully acknowledged. I wish to express my sincere thanks to Mr. Antony for the typing work.
