

ACKNOWLEDGEMENT

I would like to thank The “Almighty”; because of whom I could see this day in my life. I thank Him for always being there in times when I, desperately felt His need.

It would have been impossible for me to achieve this goal without the love, support, guidance and encouragement of my parents. I am highly indebted to them for, what they have done for me and, their blessings that, will remain with me throughout my life protecting me from the evils and guiding me in the dark where there is nobody for anybody. I take this opportunity to thank them for their support, guidance and love, which are some of the unmatched and incomparable rewards in my life.

I feel highly obliged to Dr. Neeta for her unconditional support and ever willing readiness to help me find the correct way through the dark and stand by me till I, completely solve the

worldly problems. I owe her special thanks for being the backbone of my family during the difficult times.

It is the "Guru" who shows you the right path of life; needless to say Prof. A. V. Ramachandran, is the person who changed my attitude for life and evoked in me the zest to achieve selfless goals and to give unconditional support to the demanding/deserving. With his affectionate guidance and limitless support he could motivate me to understand the real meaning of Life. I owe a special thanks to him for playing such an important role in my life.

I would also like to acknowledge Prof. M. V. Asnani, Head, Department of zoology, for her constant support and encouragement throughout the period of work and also for providing all the necessary facilities for the completion of these investigations.

I would like to mention the name of my colleague, friend, and the best critic in my life Ms. Jenny, without whose constant hammering and criticism, it would not have been possible for me to reach this far. I owe a special thank to you for being so

understanding and cooperative in the moments of frustration and making them lighter with your smiling face.

I would like to acknowledge the UGC DSA Program Phase - 111 for providing me the animal house facility as well as diagnostic kits, some fine chemicals and glasswares during the period of my work.

I owe special thanks to Dr. Dandekar who, in a very crucial period provided me with statistical analysis software, which made the completion of thesis very very comfortable and smooth.

I am highly thankful to Dr. B. Suresh for his constant help during the entire tenure of my work. It was his generousness to spare his holidays and help me out with my work.

I would like to acknowledge Dr. Michael Aruldhas, Head, Dept. of Endocrinology, DrALMPSIBMS, Taramani, Chennai, for providing me with the necessary facilities to work carry out a part of my work in his Dept. My sincere thanks to Dr. Balasubramanian, under whose execution could I complete a part of my research work at Chennai.

My heartfelt thanks, to my uncle Mr. Madhukar Adi and my paternal aunt, Mrs. Nalini Sayaji for being helpful and supportive throughout the difficult times. It was their loving concern that made me relaxed in the hard times.

Words cannot truly express the regards, which I hold for Mr Suresh Adi my uncle, who's no more to see the rewards of his encouragements.

I would also like to acknowledge my Grandparents both, who are present and those who are not to see their blessings being rewarded today.

It would be very mean of me not to make mention of my sweet dear sister Ms Kirti who has been a constant source of affection and concern throughout the bitter moments in our life. Dear sis thank you for being there, it meant a lot to me.

I would like to thank Dr. A. P. Raval for her constant and inspirational advice during the entire tenure of my work.

I would like to acknowledge the support from my seniors Dr. Bhavna, Dr. Arpita, Dr. Devkar during my research tenure and also my colleagues Biren and Zala for their suggestions.

I would also like to thank my juniors Raktim, Rupali, Nipul, Prem, Sudip, and Niraj for their constant co-operation and support rendered till the completion of thesis.

Lastly I would like to thank all my teachers for their valuable contribution in carving my career; to see the present day.

It reminds me that I am forgetting some people by not mentioning their names; though its a long list I would like to mention some of the back stage artists of the play and they are nobody else but the non-teaching staff members of the Department. I would like to thank them one and all for being so cooperative and helping during the tenure of my work

NIKHIL C. ADI
