

ACKNOWLEDGEMENT

The author makes grateful acknowledgement of his indebtedness to Prof. S.K. Srivastava for guidance in the conduct of research, interpretation and presentation of the data.

The author also thanks Dr. (Miss) B.I. Naik and other colleagues and friends who have extended their cooperation during the course of these investigations.

The award of fellowship to the author by CSIR and donation of dodine by Cyanamid of Great Britain, London and guazatine by KenoGard AB, Sweden is also gratefully acknowledged.
