My journey to gain a Ph.D. started in early 2010 and it has become a reality after six years of hard work. During all these years, many people have extended their helping hand to achieve my goals and fulfilling my dreams. And at the end of this wonderful journey, I would like to express my gratitude to each and every one.

I take this opportunity to express a deep sense of gratitude and appreciation for my mentor and guide **Dr. Desh Deepak Singh** for his invaluable guidance. I am especially thankful to him for investing his trust and confidence in me by making me an integral part of the wonderful research group. During my stay in the Department of Bioinformatics and structural biology, his valuable guidance, his encouragement comes out with novel ideas and implement it as a part of my Ph.D. research helped me immensely to become a better student of science. Throughout my Ph.D. tenure, he provided encouragement, sound advice, good teaching and lots of good ideas. It was a blessing to work under his supervision.

I wish to extend my sincere gratitude to **Dr. Anju Pappachan** for providing all the necessary help and guidance throughout the tenure of my Ph.D. work.

I wish to express my warm and sincere thanks to my co-guide **Prof. C. Ratna Prabha** for supporting my Ph.D. candidature in Department of Biochemistry, The M. S. University of Baroda. Her wide knowledge and logical way of thinking have been a great value for me. Her suggestions and personal guidance have provided a good basis for the present thesis.

I am highly indebted to **Dr.(Mrs.) Manju Sharma** and late **Prof. Kailash Paliwal** for their instrumental role in my Ph.D. registration, their guidance which helped me to improve the quality of my work. They had been a great inspiration for me

I would also like to extend my sincere thanks to **Mr. Ashwani Puri** and **The Puri Foundation for Education in India** for providing infrastructure, wonderful lab facility and support to do my research work.

I am grateful to **Prof. Sarita Gupta**, HOD, Dept. of Biochemistry, The M. S. University of Baroda for her support, motivation and suggestions for the completion of my Ph.D.

I extend my heartfelt thanks to **Prof. A. Nerurkar**, Dept. of Microbiology and Biotechnology Center, The M. S. University of Baroda for her critical comments on my work and useful suggestions on my work.

I am also grateful to **Prof. G. Naresh Kumar, Prof. R. Begum, Dr. Rajesh Singh, Dr. Pusha Robin** and other faculty members of Dept. of Biochemistry, The M. S. University of Baroda for their teaching, critical assessment of my work and suggestions for the completion of my work.

I gratefully acknowledge **Dr. Rajani Nadgauda, Dr. Ashima Bhardwaj, Dr. Sunil Singh, Dr. Chandramani Pathak, Dr. Reena Agarwal, Dr. Anand Tiwari, Dr. Neeraj Jain** and **Dr. Dheeraj Naik** for their help and suggestions.

I would like to extend my special thanks to **Dr. K. Suguna** lab, Molecular Biophysics Unit, IISc, Bengaluru for hosting and accommodating in their group and helped me conducting experiments. I would also like to extend my gratitude to all the group members of Suguna lab, especially to **Mr. Nikhil Bharambhe, Dr. Nadini Mani**, and **Ms. Spraha Bhandari**.

I would like to extend my sincerest thanks to **Dr. Rushikesh Joshi**, Department of Biochemistry to help me carry out fluorescence spectroscopy experiments at a central facility of Department of Biochemistry, The M.S. University of Baroda.

I am also hugely appreciative to my seniors **Dr. Vijay Singh** and **Dr. Divya Nair** for their encouragement and support during my time in the lab and beyond.

I like to extend my sincere thanks to my colleague **Mr. Manoj Kumar, Mr. Radhey Shyam Kaushal, Mr. Shushobhan Bandopadhyay, Ms. Vaibhavi Mehta, Mr. Hitesh Patel, Mr. Pinakin Makwana** and **Mr. Prakash Kulkarni** for their support in day to day lab activities and making the lab a happy place to work.

The entire journey of my Ph.D. would have been difficult without the encouragement of my friends ***Dr. Abhinav Shah, Ms. Niyati Pandya, Mr. Manish Patel, Ms. Sonali Jadeja, Dr. Megha Shah, Mr. Shubhranshu Debnath, Dr. Arun K. Singh, Mr. Dhaval Patel, Mr. Vinoth Kumar, Mr. Naman Mangukia, Ms. Bhumi Patel.*** They kept me in good spirits when things were not going as planned, and keep motivating me to pursue my dreams.

It is worthy mention the supports provided by ***Mr. Kishu Ranjan, Mr. Sohaib Mansuri, Mr. Ujjwal Trivedi, Mr. Abhay Srivastava,*** and ***Mr. Keyur Battiwala*** for their great company.

I will like to extend my special thanks to Mr. Bhavesh Darji, for helping me out in the lab for every little thing, from keeping glass wares ready to keep the cold room tidy.

I appreciate the help of administrative and support staff of both IIAR and MSU. It would be difficult to list all those names. However, special mention goes to ***Mr. Jayesh Vaidya (IIAR), Mr. Narendra Rathod (IIAR), Mr. Milind Bhai (MSU) and Mr. Kemin Bhai (MSU)*** for their timely help and support.

I take this opportunity to acknowledge funding agencies ***Department of Science and Technology, Government of India and Department of Biotechnology, Government of India*** for providing financial assistance in the form of Junior Research Fellowship and Bioinformatics trainee positions which propped me to perform my work comfortably.

At last but not by any mean least I would like to pay my respect to my both families to keep patient and extend their support and love to me during this period. I would specially thank my parents for letting me chose my career path and then support in every possible way to achieve my goals. I am grateful to my brother and sister-in-law for supporting me throughout my journey.

And in the end, I would like to thank my lovely wife for supporting and encouraging throughout the last two years of my Ph.D.
