

## A C K N O W L E D G E M E N T S

At the apex of the pyramid, I acknowledge my deep sense of gratitude to my guide, Prof.N.K. Jain, Head, Dept. of Pharm. Sciences, Dr.H.S.G.-Vishwavidyalaya, Sagar and Ex-Reader in Pharm. Technology at Pharmacy dept. in M.S. University of Baroda, for his invaluable advice, guidance, positive criticism, suggestions and constant encouragement throughout the present investigation.

I am very much thankful to Prof.Y.K. Agrawal, Head, Pharmacy Department and Prof.R.C. Desai, Dean, Faculty of Technology and Engineering, M.S. University of Baroda, Baroda for providing working facilities to carry out the present work.

I am thankful to Dr.B.P. Udwadia, Dr.A.K. Batham and Dr.A.K. Shukla of Sarabhai Chemicals Ltd., Baroda, in helping me carry out the in-vivo studies of Nifedipine.

I am also thankful to Dr.Kailash Dilli, Scientist, Physical Research Laboratory, Ahmedabad, for his assistance in conducting X-ray diffraction studies at physical Research Laboratory.

I greatly acknowledge my gratitude to volunteers who have participated in in-vivo studies.

I am indebted to my colleagues & friends who have extended their unstinted support and help, whenever needed in my association with them.

Finally, I thank University Grants Commission for the financial assistance during the earlier part of my work.
