DIRECTIONS FOR THE GUIDANCE OF THE STUDENTS

Below you will find some questions regarding your co-curricular interests. Few alternative answers are provided for each question. You are required to choose one answer by putting a tick.

This is not a test, but only a survey to know the interest pattern of our students. Students differ widely in their interest and therefore there are no right or wrong answers. What is wanted is only an answer that describes your interest correctly to make some useful suggestions for providing suitable facilities for our students. Be sure to answer every question.
