

ACKNOWLEDGEMENTS

The work would not have been possible without the kind and considerate guidance of Dr. J.P. Vyas, my thesis Supervisor and Reader, Department of Geography, M.S. University of Baroda, Vadodara, Gujarat, who introduced me the problem, helped me with many valuable discussions and suggestions, edited the manuscript and was most compassionate and encouraging in many other ways. Words fail me in expressing the sense of indebtedness I feel towards him.

It is my profound privilege and pleasure to express my grateful thanks and gratitude to Dr. (Smt.) Jayshree De, Head, Department of Geography for permitting me to undertake this study and Professor V.C. Rangasawamy, Department of Geography for her valuable suggestions during the course of the study.

I acknowledge my special thanks to Professor Bonni Pilo, Dean Faculty of Science and Professor Dilip Mohite, Dean Faculty of Arts for their co-operation during the present work.

I am deeply indebted to the inspiring, motivating, encouraging and obliging personality of Dr. R.K. Singh Sr. Scientist, M.P. Remote Sensing Applications Centre, Bhopal for his utmost co-operation throughout the course of the study. His advice and blessings have been invaluable.

I am grateful to Shri D.K. Soni, Shri N.K. Choubey, Scientist and Smt. Neeta Khare, Technical Assistant, M.P. Remote Sensing Application Centre, Bhopal for their co-operation and valuable support.

I am specially thankful to Ku. Seema Khan, for her utmost co-operation for Cartographic work.

I am also grateful to various organisations viz., Northern Coalfields Limited, Sidhi, Central Mine Planning and Design Institute, Sidhi, Environmental Planning and Coordination Organisation, Bhopal, M.P. Pollution Control Board, Bhopal, Geological Survey of India, Bhopal and Jabalpur, Ministry of Environment and Forest, Bhopal and Directorate for Census Operations, Bhopal and Lucknow for providing data and literature during course of this study.

I pay my glowing salutations to my respected mother Smt. Sindhu S.Katare, whose deep affection, extra-ordinary care and unique help throughout the study. words fails to express my feelings towards her.

My sincere thanks are also to all those who have assisted me directly or indirectly in the preparation of this thesis.

My sincere thanks are also due to Smt. Sadhna Saxena for neatly and clean digital processing of the manuscript.

And the last but not the least, I am thankful to "Almighty God" who has been owed this day in my life.
