

LIST OF TABLES

Table		P a g e
4.1	Teacher Training Colleges in Puri District	90
4.2	Secondary Schools in Puri District	90
4.3	Facts and Concepts relating to Environmental Knowledge	93
4.4	Norms for Interpretation of Average Score on Environmental Knowledge Inventory	104
5.1	Environmental Knowledge Score of Teachers	107
5.2	Mean Score on Environmental Knowledge of Teachers	112
5.3	Frequency of Responses(in percentages) to Factual Environmental Knowledge Items	113
5.4	Frequency of Responses (in percentages) to Conceptual Environmental Knowledge Items	128
5.5	Deficiency in Factual Environmental Knowledge among Teachers	137
5.6	Deficiency in Conceptual Environmental Knowledge among Teachers	139
5.7	Scores on Environmental Attitude of Teachers	141
5.8	Coefficient of Correlation between Environmental Knowledge and Environmental Attitude	143
5.9	Mean Scores on Environmental Knowledge of Male and Female Teachers	145
5.10	Mean scores on Environmental Knowledge of Urban and Rural Teachers	146
5.11	Mean Scores on Environmental Knowledge of Teachers with Science and Non-science Background	148

Table		P a g e
5.12	Mean Scores on Environmental Knowledge of Teachers by Socio-economic Background	150
5.13	ANOVA Summary of Environmental Knowledge Scores by Socio-economic Background of Pre-service Teachers	151
5.14	Comparison of Factual and Total Environmental Knowledge Mean Scores of Pre-service Teachers with different Socio-economic Background	153
5.15	ANOVA Summary of Environmental Knowledge Scores of In-service Teachers by Socio-economic Background	154
5.16	Mean Scores on Environmental Knowledge of In-service Teachers by Length of Teaching Experience	155
5.17	ANOVA Summary of Scores on Environmental Knowledge of Teachers by Length of Teaching Experience	156
5.18	Comparison of Mean Scores on Conceptual Environmental Knowledge of In-service Teachers with different Length of Teaching Experience	158
5.19	Mean Scores on Environmental Attitude of Male and Female Teachers	159
5.20	Mean Scores on Environmental Attitude of Urban and Rural Teachers	160
5.21	Mean Scores on Environmental Attitude of Science and Non-science Teachers	161
5.22	Mean Scores on Environmental Attitude of Teachers by Socio-economic Background	162
5.23	ANOVA Summary of Environmental Attitude Scores of Teachers by Socio-economic Background	163
5.24	Comparison of Mean Environmental Attitude Scores of Pre-service Teachers with different Socio-economic Background	164

Table		P a g e
5.25	ANOVA Summary of Scores on Environmental Attitude of In-service Teachers by Length of Teaching Experience	165
5.26	Most serious Environmental Problem as identified by Teachers	167
5.27	Status of Environmental Education	169
5.28	Stage of Introduction of Environmental Education	170
5.29	Core-curriculum in Environmental Education	172
5.30	Unsuitability of Concepts/Themes in Environmental Education	173
5.31	Sources of Environmental Knowledge of Teachers	176
5.32	Constraints in Implementing Environmental Education Programmes	177

LIST OF FIGURES

Figure		
5.1	Graphical representation of Factual Environmental Knowledge Scores	109
5.2	Graphical representation of Conceptual Environmental Knowledge Scores	109
5.3	Graphical representation of Total Environmental Knowledge Scores	110
