

ACKNOWLEDGEMENT

I thank

Prof. Veena Gandotara, my guide, for her unmatched patience, endless motivation, and good advice.

Head of Home Management Department, Dr. M. Shukl, who has been encouraging. Once again I am grateful for your positive inputs.

Project Coordinator, Dr. L. P. Gite, for helping me structure my research and for his invaluable contribution towards my thesis.

Dr. J. Kishtwaria, Scientist, College of Home Science, CSKHPKV, Palampur, for her good wishes and all the help she bestowed on me.

Mr. R.P. Alha, Librarian, CIAE, Bhopal, for his ready help during my visits to the library.

Mrs. Aruna Rana, for her necessary help.

And last but not least, my friends and family.
