#### RESEARCH TOOL FOR TEACHERS

Department of Extension & Communication Faculty of Family and Community Sciences, The Maharaja Sayajirao University of Baroda, Vadodara

Respected Sir/Madam,

I am a Ph.D. Student of Department of Extension and Communication, Faculty of Family and Community Sciences, the Maharaja Sayajirao University of Baroda, Vadodara. I am doing my Ph.D. research on "A Study on Readiness of the Teachers of the Maharaja Sayajirao University of Baroda, Vadodara, Regarding Usage & Development of e-content"

I request you to please fill out the enclosed questionnaire prepared for the same. I assure you that the information provided by you will be kept confidential and will be used for academic purposes only.

Thanking you,

Yours faithfully, **MS. RUMA CHOKSHI** Investigator

PROF. ANJALI PAHAD

## **Section 1: Background Information**

Directions: Please tick mark or write against the most applicable response and provide detail wherever needed.

1.	Designation:
	Gender:Female Male
3.	Age (in year):
	Educational Qualification:
	a. Post-Graduation
	b. M.Phil.
	c. Ph.D.
	d. Any Other (please specify)
5.	Job status:Permanent Temporary
	Area of specialization:
	Teaching Experience (in years):
8.	What type of different Information Communication Technology (ICT) do you use for teaching purpose? (Multiple response)
С	omputer
P	rinter
	CD Projector
	nternet / Wi-Fi connections
	Iobile
	ideo-audio sharing through applications
	ideo conferencing
	nteractive boards
If	any other then please specify,

## **Section 2: Computer & Internet Usage**

*Directions*: Please tick mark or write against the most applicable response and provide detail wherever needed.

#### 1. How frequently do you use a computer? (at the workplace)

Daily	
Weekly	
Twice/ thrice a week	
Fortnightly	
Rarely	

#### 2. Which of the following gadgets do you own? (Multiple responses)

Smartphone	
Personal computer	
Laptop	
Tablet	
I-Pad/ I-Phone	
If any other then please specify,	

#### **3.** From where do you access the computer? (Multiple responses)

At Cyber café	
At Home on a personal computer	
At College computer lab	
At College on a personal computer	
If any other then please specify,	

#### **4.** For what purposes do you use a computer? (Multiple responses)

For making a power-point presentation	
For making lecture notes	
For data storage	
Preparing lessons for lectures	
For Administration work	
If any other then please specify,	

	Smartphone	
	Personal computer	
	Laptop	
	Tablet	
	I-Pad/ I-Phone	
	If any other then please specify,	
I	From where do you access the internet? (Multiple	responses)
	At Cyber café	
	At Home on a personal computer

## **Section: 3: Computer & Internet related Technical Competencies**

NOTE: kindly tick against the appropriate option given below.

Prerequisites skills: means basics skill which are necessary to operate a computer.

Advance skills: means skills that are necessary for using softwares.

Online skills: means skills that are necessary for online activities.

Sr.		Fully	Partially	No
No	Statements	competent	competent	competent
	Prerequisite	_	- Солгарован	- солирования
1	Startup and shut down computer			
	according to computer type			
	(windows based, ios-based system)			
2	Identify and use icons of applications			
3	Create, Name, and rename the			
	document, save a document using			
	both the save and save as commands			
4	Rename of the document, Transfer			
	folder from computer to hard drive,			
	pen drive			
5	Save, open, and place documents			
	inside Sub-folders			
6	Open and work with more than one			
	application at a time.			
7	Cleaning of hard disk, components,			
	and printers & computer system from			
	virus			
8	Make backup copies of key			
	applications and documents			
9	Install and upgrade an application			
	and software's			
	Advance	skills		
1	Word processing for making content			
	file			
2	Spreadsheets, SPSS package for			
	statistics			
3	PowerPoint presentation			
4	Paint, publisher & other programmes			
	like Photo editing			
5	LMS online library searches			
6	Convert word documents to PDF			
<u> </u>	format.			
7	PowerPoint presentation into PDF			
	and JPEG file format.			

Sr.	Statements	Fully	Partially	No
No	Statements	competent	competent	competent
	Online skills			
1	Read, save, print, and Upload text			
	on web			
2	Send electronic mail with file			
	attachment			
3	Create and use google group's			
	addresses for mail.			
4	Zip files for mailing many files			
5	Use google drive and iCloud to share			
	files & documents.			
6	Use of Search engines like google,			
	yahoo, Wikipedia			
7	Subscribe online journals, books &			
	other digital material for reference			
	material			
8	Procedure of Publishing online			
	article, lecture video through you-			
	tube, slide-share, online books			
9	Access a specific web site by			
	entering the appropriate URL*			
	(concept of Universal Resource

10	Use of social networking-sites like			
	Facebook, twitter.			
11	Online services like fees payment,			
	application submission, bill			
	payments, online shopping, etc.			
12	Upload and download documents or			
	pictures or videos online			
	If any other then please specify,			

## **Section: 4: Perception towards Technology**

Note: Please tick mark against the appropriate options. GE- Great Extent, SE - Some Extent, LE - Less Extent

Sr.	Statements	GE	SE	LE
No.	StateMents			
1	Technology helps in understanding course content.			
2	Usage of technology creates interest among students.			
3	Technology diverts the attention of students from the subject			
	matter			
4	Technology increases the concentration of students.			
5	Technology Improves critical thinking in students.			
6	If teachers use technology to prepare lectures can have lots			
	of time to do other work.			
7	Usage of technology is Time-consuming			
8	Teaching is more effective with the use of technology like			
	e-content			
9	The education system should be partially dependent on			
	technology			
10	Online collaboration motivates students to actively			
	participate in any educational discussion			
11	Technology increases teachers' productivity.			
12	Teaching through technology puts work pressure on			
	teachers			
13	Hardware can be unreliable leading to breakdowns which			
	cause frustration			
14	Using technology means students can become dependent on			
	computers and do not learn how to do things manually			
15	Technology & internet can lead to students accessing			
	unsuitable sites			
16	Dependency on technology leads to Illegal acts like			
	plagiarism			
	If any other then please specify,			

# Section: 5: Knowledge regarding e-content

I.	Cł	noose the correct answer and fill in the blanks.
	1.	e-content is also known as
		Course content
		O Digital content
		○ E-learning
		O Content learning
	2.	Technical re-usability of e-content is concerned with
		Standardization initiatives
		Intellectual property protection
		○ Knowledge transfer
		O Various kinds of Tools used to support e-content
	3.	Educational e-content offers features like
		Unique Tests, Instant grading, and feedback
		O Expensive fees for enrolment
		O Non-downloadable content
		Late feedback for problem
	4.	Digital content comes in many forms like
		Images, Text, Animations, Audio &Videos Files
		O Printed books
		○ Journals
		O None of above
II.	Sta	ate whether the following statements are true or false by tick mark "T"
	if t	true or "F" if false.
	1.	e-content is computer-based educational digital content that enables to
		teach and learn anywhere at any time. T/F
	2.	e-content is delivered through printed matters. T/F
	3.	e-content restricts the users to use varied formats of the documents
		available online <b>T/F</b>

- 4. e-content offers a Personalized teaching-learning process. **T/F**
- 5. e-content creates barriers in the teaching-learning process. T/F
- 6. e-content distracts the learners from class-room teaching. T/F
- 7. e-content is environment friendly **T/F**
- 8. Usage of e-content, gives you more time to spend on other work. T/F
- 9. Learning objects in e-content are self-contained. **T/F**
- 10. e-content are openly licensed materials and media that are useful for teaching-learning. **T/F**
- e-content is information delivered over network based electronic devices.
   T/F
- 12. e-content is the part of digital course material that includes OER. T/F

# III. Select an appropriate word from the words given below into the brackets and fill in the blanks.

1.	Any entity, digital or non-digital, that may be used for learning, education
	or training can be called (Learning Object/reading objects)
2.	The Xerte is a free and open source tool. (Authoring
	Synchronising)
3.	is the use of game element in a non-interesting context to
	engage users and solve problems. (Gamification /Audio-Video)
4.	e-content is (Cost Effective / Expensive)

## **Section: 6 Interest in e-content for Teaching**

Note: Please tick mark against the appropriate options.

Sr.	Interest in e-content for	Fully	Partially	Not
no.	Teaching	interested	interested	interested
	I am interested in e-con	tent for teachi	ng as	
1	It is an innovative method			
2	It Brings wide experiences in the			
	classroom.			
3	It Increases motivation amongst			
	students			
4	It may increase the attendance of			
	the students in classes with the use			
	of e-content.			
5	It Brings variety in teaching			
6	It Helps in the personalized			
	teaching process.			
7	It Provides flexibility in learning.			
8	It Covers the large set of learning			
	for the teaching-learning process.			
9	It is easy to learn to use e-content			
	for teaching.			
10	It is Cost-effective teaching			
	method			
11	It provides a new experience of			
	teaching through e-content			
12	As it will make me a popular			
	teacher.			
13	Usage of e-content will help me to			
	build a positive image as a teacher.			
14	I want to be e-content recognized as			
	an expert			
15	It produces the scope of Variation			
	in terms of visuals, print, animation			
	for my teaching.			
	If any other then please specify,			

#### Section: 7 Readiness of the teachers for Usage of e-content for Teaching

**NOTE:** Please tick mark against the appropriate options. SA-Strongly Agree, A- Agree, N-Neutral, DS- Disagree, SDA- Strongly Disagree

Teachers Readiness for the present research means the state in which teachers are prepared to receive benefits of electronic content for their classroom teaching. E-readiness for the present research, Interprets as the readiness of University teachers on several selected aspects to implement class-room teaching through e-content.

Sr.	Statements related to the readiness of teachers	SA	A	N	DA	SDA
No	for Usage of e-content for Teaching	SA	A	11	DA	SDA
	<b>Environment readiness (related to</b>	self)				
1	I am highly motivated for teaching through e-					
	content.					
2	I would be able to dedicate 4 to 6 hours a week to					
	participate in the teaching through the e-content					
	process.					
3	I am willing to devote more time to an online class					
	than an onsite class.					
4	I am able to create schedules for incorporating					
	digital teaching.					
5	My interest to teach online provides me enough					
	free time for other professional activities like					
	attending related conference.					
6	My interest in online teaching is motivated by the					
	flexibility it offers.					
7	I have enough capabilities in me for managing					
	technology enriched class-room.					
8	I have capacity to learn new educational					
	technology for making my teaching interesting.					
9	I have skills for using new technology for my					
	class-room teaching					
10	I have necessary skills to use e-content for class-					
	room teaching.					
11	I have enough experience for using new					
	educational technology, for classroom teaching.					
12	I have experience of using different teaching					
	strategies.					

Sr.	Statements related to readiness of teachers for	<b>a</b> 4			- ·	GTD 4
No	Usage of e-content for Teaching	SA	A	N	DA	SDA
13	I have exposure of e-content for using it in class-					
	room for my teaching.					
14	I am flexible in dealing with students on such					
	issues related to e-content.					
15	I am fairly organized in planning for my					
	educational technology based teaching (through e-					
	content)					
16	I can control students in a technology enriched					
	class-room.					
17	Teaching through e-content in class-room helps to					
	create better understanding of my subjects.					
18	Teaching through e-content is more comfortable					
	than traditional chalk-board methods.					
19	Usage of e-content gives me credits for my					
	professional growth.					
20	Usage of e-content will provide me with better					
	teaching – learning opportunities than					
	contemporary means of learning					
21	My progressive nature motivates me to use e-					
	content for teaching effectively					
22	I have abilities to teach though educational					
	technology in class-room.					
23	I have abilities to use e-content courses for my					
	subjects.					
24	I am able to communicate with students while					
	teaching through e-content.					
25	Usage of e-content will increase my reputation					
	among students.					
26	I want to use e-content for my teaching because					
	my colleagues are using it.					
27	Some colleges are using e-content for their daily					
	teaching, that practices gives me competition, so I					
	want to use e-content for teaching.					
28	My family and friends motivate me to use e-					
	content in my teaching.					
29	Competition in education and need of integrating					
	new methods & material related to technology					
	inspired me to be geared up for e-content usage for					
	my teaching.					
30	My students motivate me to use e-content for					
	teaching.					

No Usage of e-content for Teaching  I want to integrate e-content courses in the curriculum so as of stimulate varied learning activities.  I want to use e-content because I want to increase my reputation among students.  As a teacher, it's my moral responsibility that, I should use new innovative methods for my teaching so that students get benefited.  I should use e-content so that distance students get benefited with our courses.  It is my responsibility to incorporate e-content in teaching as a new method so that my junior staff can get motivation.  The flexibility characteristics of e-content motivates me to use it for teaching.  The flexibility characteristics of e-content motivates me to use it for teaching.  I can devote my personal time to complete assignments and readings for teaching through e-content.  I am willing to support my teaching with new educational technology methods.  I like to experiment with new information technologies for teaching and learning  I can make use of e-content to disseminate information of the subject to the students.  I would work hard to make e-content a success story for me  Environment aspect (related to department)  My department staff is very Supportive for accepting new technology & innovations for education.  My department has commitment on the part of institutional leaders to use ICT to achieve strategic academic goals.	Sr.	Statements related to readiness of teachers for	G ;			ъ.	CD A

## Section: 8: Expected Challenges related to the usage of e-content for Teaching

Direction: Please tick mark against the appropriate options.

GE- great extent , SE- Some extent , LE- less extent, NA- Not at All

Sr. No.	Statement	GE	SE	LE	NA
1	Inadequate training of teachers on e-content use				
2	Inadequate ICT tools in department for e-content use				
3	Lack of technical support in department / University				
4	Interrupted supply of electricity				
5	Limited access of internet facility				
6	Negative attitude towards teaching e-content amongst				
	department / University teachers.				
7	Limited fund/budget provision for new innovations in				
	the field of recent education technology				
8	Insufficient number of computers				
9	Insufficient number of internet connections for				
10	computers				
10	Insufficient Internet bandwidth or speed				
11	Insufficient number of interactive whiteboards				
12	Insufficient number of laptops				
13	Lack of adequate skills of teachers				
14	Lack of adequate content/material for teaching				
15	Difficult to integrate e-content usage, into the curriculum				
16	Lack of pedagogical models on how to use e-content for teaching				
17	Lack of interest of teachers in e-content usage				
18	Pressure to prepare students for exams and tests on				
	teachers through personal/ face to face interactions				
19	Unable to use e-content because of rigidity of time				
20	Heterogeneity amongst students preferences to study				
	through e-content & e-learning process				
	If any other then please specify,				

## Section: 9: Suggestions

NOTE: Please tick mark against the appropriate options. SA-Strongly agree, A- agree, N-neutral, DA- disagree, SDA- strongly disagree

Sr.	C4-44	C A		ът	D.4	CD A
No.	Statement	SA	A	N	DA	SDA
1	Higher authorities should promote e-content					
	usage in universities					
2	Appreciation should be given to the teachers who					
	use e-content for class-room teaching.					
3	Compulsory orientation of e-content usage					
	should be offered to newly recruited teachers.					
4	Promotion of teachers should have the criteria of					
	usage of latest ICT in teaching.					
5	Some compulsory percentage of teaching hours					
	should be decided to promote e-content for					
	teaching					
6	The department / faculties should gear up to					
	provide faculties to use e-content for class-room					
	teaching.					
7	The in-service training have compulsory session					
	on e-content usage for teaching.					
8	University can create in-house facility for					
	faculties e-content usage of class-room					
9	Baby steps like teaching 20% of the courses					
	offered in one programme should be thought by					
	using e-content in class-room					
10	UGC can play an active role in implementing a					
	policy to have compulsory knowledge of e-					
	content usage for university teaching.					
11	Post-graduation degree/ Ph.D. programmes					
	should have minimum one course where training					
	related to e-content usage and development are					
10	taught					
12	Training cell can be created to train interested					
	teachers for e-content usage/ development for					
4.0	class-room teaching.					
13	The entrance exams like NET/SLET/PET should					
	include questions related to e-content.					

Sr.	Statement	SA	A	N	DA	SDA
No.		511	•••	- `	211	5211
14	Research cell of our university should give					
	preferences to the researcher proposals related to					
	usage/ development of e-content.					
15	Foundation courses like English/ communication					
	skills/ statistics which are offered at various					
	degree programmes, similar to that e-content					
4.5	awareness courses should be offered.					
16	Knowledge about e-content about e-content					
	usage/ development should be made mandatory					
15	while recruiting university teachers.					
17	Well-versed technical staff should be appointed					
	in the departments to assist teachers with e-					
10	content usage/ development.					
18	UGC should make a policy/ rules for teachers to					
	receive certified training as prerequisites to					
10	promotions.					
19	All departments and faculties should arrange					
	Workshop/ Seminars/ Training Programmes for					
	using e-content for teaching on regular basis for their staff and students					
20						
20	University should introduce a budget head for the purchase of equipment's and other facilities					
	related to e-content usage					
21	Free of cost Orientation Programme related to					
21	recent Education Technologies should be					
	organized by University					
22	Competitions can be arrange at department and					
<b>_</b>	faculty levels related to usage and development					
	of educational technology like e-content					
23	Evaluative committers like NAAC/ NIRF should					
	have criteria related to e-content usage and					
	development for accreditation of universities					
	If any other then please specify,					

IN-DEPTH INTERVIEW SCHEDULE FOR TEACHERS

**Department of Extension and communication** 

**Faculty of Family and Community Sciences** 

The Maharaja Sayajirao University of Baroda

Dear Respondents,

I am a Ph.D. Student of Department of Extension and Communication,

Faculty of Family and Community Sciences, the Maharaja Sayajirao

University of Baroda, Vadodara. I am doing my Ph.D. research on "A Study on

Readiness of the Teachers of the Maharaja Sayajirao University of

Baroda, Vadodara, Regarding Usage & Development of e-content"

I request you to please fill out the enclosed questionnaire prepared for

the same. I assure you that the information provided by you will be kept

confidential and will be used for academic purposes only.

Thanking you,

Yours faithfully,

MS. RUMA CHOKSHI

Investigator

PROF. ANJALI PAHAD
