

LIST OF TABLES

TABLE NO.	TITLE
3.1.	Distribution of Sample Students
3.2.	Weightage According to Sub Topics
3.3.	Weightage According to Objectives
3.4.	Weightage According to Types of Questions
3.5.	Three Dimensional Chart
3.6.	Table Showing the Percentiles and Number of Students With Their S.E.S. Test Score
3.7.	Table Showing the Percentiles and Number of Students With Their J.I.M. Test Score
3.8.	Table Showing the Percentiles and Number of Students With Their Anxiety Test Score
3.9.	Pre-Development Procedure of Video Instructional Package
3.10.	Post-Development Procedure of Video Instructional Package
3.11.	Experimental Schedule
4.1.	Mean, S. d. and 't' for High S.E.S. and Low S.E.S. Groups From Urban Area on Immediate Retention Test
4.2.	Mean, S. D. and 't' for High S.E.S. and Low S.E.S. Groups From Urban Area on Delayed Retention Test

- 4.3. Mean, S. D. and 't' for High S.E.S. and Low S.E.S.  
Groups From Rural Area on Immediate Retention Test
- 4.4. Mean, S. D. and 't' for High S.E.S. and Low S.E.S.  
Groups From Rural Area on Delayed Retention Test
- 4.5. Mean, S. D. and 't' for High J.I.M. and Low J.I.M.  
Groups From Urban Area on Immediate Retention Test
- 4.6. Mean, S. D. and 't' for High J.I.M. and Low J.I.M.  
Groups From Urban Area on Delayed Retention Test
- 4.7. Mean, S. D. and 't' for High J.I.M. and Low J.I.M.  
Groups From rural Area on Immediate Retention Test
- 4.8. Mean, S. D. and 't' for High J.I.M. and Low J.I.M.  
Group From Rural Area on Delayed Retention Test
- 4.9. Mean, S. D. and 't' for High Anxiety and Low Anxiety  
Groups From Urban Area on Immediate Retention Test
- 4.10. Mean, S. D. and 't' for High Anxiety and Low Anxiety  
Groups From Urban Area on Delayed Retention Test
- 4.11. Mean, S. D. and 't' for High Anxiety and Low Anxiety  
Groups From rural Area on Immediate Retention Test
- 4.12. Mean, S. D. and 't' for High Anxiety and Low Anxiety  
Groups From Rural Area on Delayed Retention Test
- 4.13. Mean, S. D. and 't' for Male Students and Female  
Students From Urban Area on Immediate Retention  
Test
- 4.14. Mean, S. D. and 't' for Male Students and Female  
Students from Urban Area on Delayed Retention Test

- 4.15. Mean, S. D. and 't' for Male Students and Female Students From Rural Area on Immediate Retention Test
- 4.16. Mean, S. D. and 't' for Male Students and Female Students From Rural Area on Delayed Retention Test
- 4.17. Cell Means for Immediate Retention Test Score With Respect to Area, Methods of Teaching and S.E.S. Test Scores.
- 4.18. Summary of ANOVA for Immediate Retention Test Scores With Respect to Area, Methods of Teaching and S.E.S. Test Scores
- 4.19. Cell Means for Delayed Retention Test Score With Respect to Area, Methods of Teaching and S.E.S. Test Score
- 4.20. Summary of ANOVA for Delayed Retention Test Score With Respect to Area, Methods of Teaching and S.E.S. Test Score
- 4.21. Cell Means for Immediate Retention Test Score With Respect to Area, Methods of Teaching and J.I.M. Test Score
- 4.22. Summary of ANOVA for Immediate Retention Test Score With Respect to Area, Methods of Teaching and J.I.M. Test Score
- 4.23. Cell Means for Delayed Retention Test Score With Respect to Area, Methods of Teaching and J.I.M. Test Score

- 4.24. Summary of ANOVA for Delayed Retention Test Score  
With Respect to Area, Methods of Teaching and  
J.I.M. Test Score
- 4.25. Cell Means for Immediate Retention Test Score  
With Respect to Area, Methods of Teaching and  
Anxiety Test Score
- 4.26. Summary of ANOVA for Immediate Retention Test  
Score With Respect to Area, Methods of Teaching  
and Anxiety Test Score
- 4.27. Cell Means for Delayed Retention Test Score  
With Respect to Area, Methods of Teaching and  
Anxiety Test Score
- 4.28. Summary of ANOVA for Delayed Retention Test Score  
With Respect to Area, Methods of Teaching and  
Anxiety Test Score
- 4.29. Cell Means for Immediate Retention Test Score  
With Respect to Area, Methods of Teaching and  
Sex Score
- 4.30. Summary of ANOVA for Immediate Retention Test  
Score With Respect to Area, Methods of Teaching  
and Sex Score
- 4.31. Cell Means for Delayed Retention Test Score  
With Respect to Area, Methods of Teaching and  
Sex Score
- 4.32. Summary of ANOVA for Delayed Retention Test Score  
With Respect to Area, Methods of Teaching and  
Sex Score
