

Acknowledgements

I express my sincere thanks to Director, SAC, Dr. K. N. Shankra for permitting me to carry out research work for Ph. D. degree and for extending support of the facilities and infrastructure of the Space Applications Centre for completion of this work.

I am indebted to Dr. Shailesh Nayak, Group Director, Marine and Water Resources Group, RESIPA, SAC, for his encouragement, keen interest, discussion and guidance during the course of this research work. His valuable suggestions as well as comments for improving this thesis are gratefully acknowledged.

I am very thankful to my Ph. D. Guide, Dr. P.C. Mankodi, Reader, Zoology Department, M.S. University of Baroda, Vadodara, for his kind guidance during the research work and valuable suggestions and comments on the manuscript of the thesis.

I am very thankful to Dr. V.S. Somvanshi, Director General, Fishery Survey of India, Mumbai for extending support to provide the fishing operations data of the study area and for his guidance. I am thankful to Dr. R.R. Navalgund, Director, National Remote Sensing Agency, Hyderabad for his encouragement for Ph. D. registration and kind guidance as well as suggestions.

I am gratefully thankful to Dr. K.L. Majumdar for his encouragement and suggestions for this study. I am thankful to Dr. Prabhu Matodker, Scientist, for discussions particularly on zooplankton studies during Sagar Sampada cruise. I am thankful to Dr. Meenakumari, Head, Fishing Technology Division, CIFT, Cochin for fruitful discussion.

I am very thankful Dr. Manil Mohan, Head, MSCED/MWRG, and Dr. A. Narain, former Head, MWRD, Space Applications Centre for their guidance and discussion on the research problem.

I gratefully acknowledge the overall support and guidance provided by Dr. A.V. Ramchandaran, the former Head of the Department and Dr. M.V. Asnani, the present Head of the department, M.S. university of Baroda during the preparation of this thesis.

Sincere thanks are due to Mr. R.M. Dwivedi, Dr. Beenakumari, Dr. Neera Chaturvedi Ms. Mini Raman, Dr. Prakash Chauhan, Mr. A.S. Rajawat, Mr. H.B. Chauhan, Dr. M.C. Gupta, Mr. K.K. Mohanty, Mr. R.K. Sarangi, Mr. Yashwant Pradhan, Mr. Arvid Sahay, Mr. Mukesh Gupta and Mr. P.A. Geda for fruitful discussions.

I am grateful to my colleagues and friends at other remote sensing applications groups at SAC namely Mr. T.V.R Murthy, Mr. H.P. Bhatt, Dr. M.P. Oza, Dr. T.S. Singh, Mr. S.R. Oza, Mr. J.G. Patel, R.J. Bhandari, Mr. D.R. Rajak, Jayesh Patel and Mr. D.A. Maru and all others for encouragements, moral support, scientific discussions and help during the course of this thesis work.

I am thankful to Dr. H.I. Andharia for extending excellent MOC (SAC) laboratory facility for data analysis. The logistic support provided by CMC personal namely Mr. Sanjay Patel, Mr. Vardhraj, Mr. Rajnikant Patel and Mr. Manav Patel during the preparation of thesis is gratefully acknowledged. I thank the satellite data library personals namely Mr. Anant Rao and Mr. Rathod for helping in providing data. I am also thankful to the SAC library staff members for extending wonderful facility during the course of this work.

It is very difficult to express my gratitude to my family in a few words. My parents were the guiding forces behind the endeavor. This work would have not been completed without the moral support and encouragement of my wife Kusum. I am thankful to my daughter, Aarti for her encouragement and loving company during the course of writing this thesis. I am very thankful to my son, Jignesh for encouragement and helping me in formatting the thesis to put it into the final shape.

Himmatsinh Solanki
