

Acknowledgement

Completion of this thesis was a dream of my father late *Shri Ravindranath S Upadhyaya*/Retired District Judge. *Dr. Sarita Agrawal* Department of Business Economics, M.S.University of Baroda, Vadodara has given me a great opportunity to work under her guidance and supervision to fulfil this dream. She gave me a fresh analytical outlook perspective to complete my thesis.

It has been my proud privilege to work under the guidance and supervision of *Dr. Sarita Agrawal*, I take this opportunity to express my heartfelt gratitude to my guide for her scholarly, generosity and understanding attitude that and ability of creating theories out of chaos a rare combination of qualities that helps a researcher to evaluate the level of understanding and quality of research. She has always inspired me to learn new things and keep pace with time. I have learnt a great deal of research from her during my association with her.

My thanks are also to *Prof. A.R.Hingorani* officiating Dean, faculty of commerce and *Prof. D.V. Baloni* officiating Head, Department of Business Economics for their support. I am also thankful to all members of the staff in the department of Business Economics who have also taught me during my post graduation for their support. A word of appreciation and thanks for all the administrative staff in the faculty of Commerce.

I am extremely thankful to *Prof. Kiran Pandya* for organising workshops to update latest knowledge about research, *Dr. Gaurang Rami* for their kind support during the course of this study in particularly guidance and understanding of forecasting of M.S.University of Baroda by using statistical tool. *Dr. Smruti Bulsari* and *Dr. Prashant Joshi*, *Veer Narmad South Gujarat University, Surat* and *Dr. Akash Achary*, Centre for Social Studies, Surat for their technical guidance and useful suggestions for my thesis. They have always been extremely supportive at every step.

My love for my mother and late father is beyond words of expression. I could not have completed this thesis without their physical, moral, emotional and financial, support. I express my respect and

gratitude to them though no verbal statement would suffice. Their kind and loving support and encouragement has guided me through the thesis. To them, I dedicate my thesis.

I could not have also completed my thesis without support and constant encouragement from my sisters Kalpanadi and Kirtidadi and my brothers-in-law Shaileshbhai and Darshanbhai and their children Kunal, Kinjal, Mansi and Pooja.

In no way can I forget the help and support extended to me by my brother, Romeshbhai, Paulomibhabhi and my nieces Disha and Jhanvi.

I also express my deep thanks to my friend Bhavik Lukka who has been with me all through out, sharing the joys and sorrows of researching together. He has also witnessed my days of struggle.

I am thankful to all the staff members in the libraries I visited. To mention some of them:

- *Smt. H.M. Library, The M.S.University of Baroda, Vadodara.*
- *Indian Institute of Management, Ahmadabad.*
- *Jawaharlal Nehru University, New Delhi.*
- *India council of applied economics research, New Delhi.*
- *Sardar Patel Institute of Economic and Social Research, Ahmadabad.*
- *Gujarat Institute of Development Research, Ahmadabad.*

I thank The M.S. University of Baroda, Vadodara for providing me scholarship during the period of this study.

In preparing this thesis, I was in contacted with many people, researchers, and academicians and practitioners. They have contributed towards my understanding and thoughts. Thanks to them all finally, I would like to thank everybody who has contributed to the successful realization of my thesis, as well as expressing my apology that I could not mention each name personally.

Last but not least, thanks to God for my life that past all tests of life. Oh God! You have made my life more bountiful. May your name be exalted, honoured, and glorified.

Heena R. Upadhyaya
