

Acknowledgments

I have immense pleasure in expressing my sense of gratitude to my esteemed guide **Dr. Padamnabhi Shanker Nagar** for his flawless guidance and systematic criticism during the present investigations. I am indebted to him for the many privileges and boundless compassion showered upon me throughout the research tenure. I run short of verbal expressions to encapsulate my feelings for him.

I am profoundly indebted to our respected **Prof. Arun Arya**, the Head, Department of Botany, Faculty of Science, for extending all the laboratory facilities to me.

I am highly obliged to **Dr. S. L. Meena**, Botanical Survey of India, Jodhpur, for his constant encouragement and inspiration throughout the tenure.

The support and help rendered by **Kasu bhai & Lasu bhai, Mansukhbhai** at the beginning of my studies was of immense help for my research study.

The assistance rendered by **Dr. S.P.S. Kushwaha** and **Dr. Ganesh Datt Bhatt** at the beginning of my research tenure was also a great help.

I am highly thankful to **Ms. Gagandeep Kaur**, **Mr. Karan Rana** and **Ms. Mital Bhatt** for their unconditional and ever helpful nature especially in the last phase of the tenure.

I am even thankful to **Mr. Maruti More** and **Mr. Paresh Patil** for taking me around The Dangs.

My profound reverence is also due to all those local villagers and residents without whose co-operation and helping attitude things would not have been the same.

The assistance rendered by **Dr. A.S. Reddy** for accesses to literature was of profound use. I am indebted to him.

I am also thankful to the non-teaching staff members of our department for the assistance they provided.

Thanks are also due to all those who have not been mentioned by name but nevertheless have been of invaluable help in their inscrutable ways.

(*Dipakkumar Shantilal Tadvi*)
