

## ACKNOWLEDGEMENTS

It is my great pleasure and privilege to express deep gratitude and profound indebtedness towards my Guide, **Dr. Nikhil Desai, Professor and Head, Department of Geology, Dean, Faculty of Science, Maharaja Sayajirao University of Baroda, Vadodra**, for his valuable guidance, comments, inspiration, encouragement and kind cooperation during the entire progress of the work. The work could not have been completed without his continuous helpful counsel and cooperation. Right from the very beginning I am thankful to him for his wonderful behavior and constant support.

I am extremely thankful to **Dr. R. D. Shah, Head, Geology Department, M.G. Science Institute, Ahmedabad** for his able support, encouragement, kind cooperation and valuable comments during the entire progress of my research work. I am very thankful to him and shall always remain indebted for giving me an opportunity to work as a research fellow in the project without which the entire work would not have been possible.

My sincere thanks to **Dr. A.S. Arya, Scientist "SF", Marine, Geo and Planetary Sciences Group (MPSG), Space Applications Centre, (ISRO), Ahmedabad**, for his constant support, valuable guidance, cooperation and providing all necessary facilities whenever required without which the work would have been difficult to carry out.

I would like to express my sincere thanks to **Dr. I. M. Bahuguna, Scientist "SG" Marine, Geo and Planetary Sciences Group (MPSG), Space Applications Centre, (ISRO), Ahmedabad**, for his valuable guidance and constant encouragement and cooperation during the tenure of my thesis writing.

I am thankful to **Dr. Ajai Group Director, Marine, Geo and Planetary Sciences Group (MPSG), Space Applications Centre, (ISRO)**, for his kind cooperation and encouragement. I am also very thankful to **Dr. J.S. Parihar, Deputy Director, Earth, Ocean Atmosphere, Planetary Sciences and Application Area (EPSA), Space Applications Centre, (ISRO)**, for providing all necessary support and facilities.

I am also very grateful to **Dr. Shailesh Nayak (Secretary, Ministry of Earth Sciences)**, for providing all necessary support, cooperation and very valuable guidance during my research tenure.

My sincere thanks to **Dr. R.R. Navalgund, Director, Space Applications Centre, (ISRO), Ahmedabad**, for providing all necessary guidance, support and facilities.

Delighted to say **Thanks** to all my friends who are the integral part of my life and have provided ever entertaining support and suggestions during the full tenure of research work especially Rajshri, Rimjhim, Janki, Megha, Disha,

Madhu, Veera, Neha, Dhara, Rupal, Rajeshwari Dimpal, Sreejith, Arvind, Rudradeb and Islam.

My thanks to **Shri Rajnikantbhai** as he has been very helpful to me during documentation and availing the computer facility in Laboratory.

My sincere thanks to Maharaja Sayajirao University administrative staff and friends especially Nayruti, Shreestuti, Shweta, Udaybhai and Dharmendrabhai.

My heartfelt thanks to the all people who have helped me directly or indirectly inside and outside of SAC campus for their constant encouragement and guidance.

Finally, my vocabulary fails to express my love and gratitude for my parents and my elder sister. Their blessings have always been with me as a source of inspiration and encouragement to fulfill my dream of higher studies. This thesis is more of a fulfillment of their dream than mine.
